

## Water Rate Rehearing Sought By Both Sides

Local Large Water User Group Expected To File Objection Petition Today

A petition for a rate hearing on the 12.75% rate increase granted the East St. Louis Interurban Water Co. may be filed today with the Illinois Commerce Commission by the local Large Water Users Group.

Randall Robertson, attorney for the group, said the petition would be filed today if possible. He said other opposition groups also were expected to file such petitions today or tomorrow.

The water company Tuesday filed its own petition for rehearing. The company seeks a larger rate increase than that granted by the ICC Nov. 21. The commission action followed a long series of hearings after the company filed for a rate increase last December.

In addition to the Large Water Users Group, an organization of about 25 industrial firms and others located primarily in the Quad-Cities, the St. Clair County Water Users Association and the city of Caseyville are expected to file rehearing petitions.

**Oppose Rate Increase**

All oppose the rate increase and fought it in the original hearings. The ICC will study the petitions, then either grant or deny them. In the event a petition is allowed, the ICC will be assigned to a commission examiner for further hearings.

In the event all the petitions are denied, Robertson said, the opposition groups could turn to the courts. He said this was done after a previous water rate hike, and the case is still pending in St. Clair county circuit court.

Thirty-eight points were listed in the water company petition as reasons why a rate hearing should be granted by the ICC. The firm's petition also requested attorneys' fees and disbursements of \$25,518 as of July 31, 1961, should be disallowed and deducted from fair value of the company's utility property.

**Not In Petition Order**

The commission failed to establish any change of circumstances or conditions which would justify such a rate hearing, the petition states, when such a decision was not made on an ICC order of 1959 or another in 1959.

Other points in the water company's petition disagree with the commission's decision.

## 3 Children Rescued From Fiery Bedroom

Tots Carried Out By Maintenance Supt. At Kirkpatrick Homes

The three small children of Mr. and Mrs. David Browning, 3601 Kirkpatrick homes, were saved from almost certain death Tuesday morning when fire broke out in their second floor bedroom.

The children, Carolyn Kay, three years old, Tina Marie, two, and David Jr., seven months old, were carried from the blazing room by Frank Leary, 45, of 2717 Myrtle avenue.

"I can't understand why the maintenance superintendent at the housing project was checking lights on fuel tanks a few yards from the Browning home when a neighbor woman called to him that smoke was coming out of the Browning apartment."

He dashed into the house and up the stairs, guided only by the cries of the children. He made three trips, grabbing the infant boy first, then one of the girls from her bed and the other from the floor.

**Dense Smoke**

The smoke was so dense that Leary could not see.

## Overhead Crane Mfg. Firm Moving To Mitchell

A new industry is locating this week in Mitchell and will manufacture overhead cranes for industrial plants.

Herbert D. Roy of the H. D. Roy Engineering Co., Inc., told the Press-Record he has leased the Otto Roman firm implement building on U. S. Byways 66 and 40, and expects to be in operation within a few days.

The firm is moving here from St. Louis county to be more centrally located for its industrial customers.

Roy said that while only three men will be employed at present, the outlook for growth and added employment appear certain.

Before moving here, the firm's cranes were manufactured by other companies. "We design the overhead cranes and have the material handling equipment for industry, but now we're going to manufacture them ourselves," Roy said.

Roy, who was plant engineer at Granite City Steel from 1948 to 1959, said the firm's customers include the Granite City, American Steel Foundries, Dow Chemical Products Co. and General Steel Industries here and several firms in the Alton area.

The firm's office will continue to be located at 9215 Clayton road in St. Louis county.

## William Fanning To Join Madison Police

William Fanning, 33 Garech House, son of the late Oliver Fanning, who was a member of the Madison police department, will be joining the Madison Police Department as a patrolman.

The only one currently on the eligibility list, Fanning is to be proposed by the Board of Fire and Police Commissioners for hiring at the Dec. 26 council meeting. He is on the eligibility list, and for possible promotions within the department, are expected to take place in the near future.

The present vacancy results from election of Barney Fraundorfer as county sheriff.

## Federal Agents Seize 2 Pinball Machines In GC

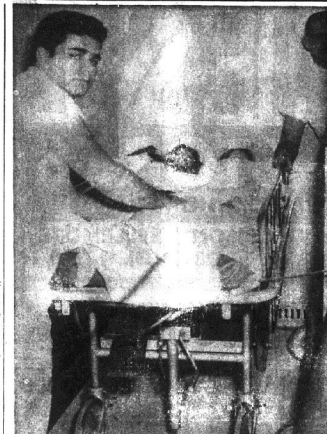

Two Granite City establishments lost pin ball machines to federal agents Tuesday morning.

The machines were seized Wednesday in a nationwide crackdown. Five were in St. Louis county.

The IRS said there was no evidence of payoffs being made in Granite City, but such evidence was not sought since the machines were seized in the area where they were operated by the IRS intelligence division in East St. Louis.

Federal tax stamps on operating coin gaming devices cost \$250 a machine. Even when a machine is seized, the operator is liable for the tax stamps.

The machines are subject to forfeiture, however.

HOSPITAL ATTENDANTS ADMINISTER OXYGEN to Carolyn Kay, Tina Marie and David Browning in the elevator at St. Elizabeth Hospital as the children are admitted for observation. They suffered from smoke inhalation after a fire in their upstairs bedroom at 3601 Kirkpatrick Homes.

## Dispute Over Tow Trucks Leads To Arrests, Complaints

A dispute over tow trucks at a block of Mayville road, 6:30 a.m. yesterday resulted in four arrests and in complaints to the police.

**Regular Service Here For Social Security To End**

Service on a regular basis by the Social Security Administration will be discontinued here Jan. 1, District Director Ralph Brasher said Tuesday.

After that date, Brasher said, those unable to go to the district office at East St. Louis may telephone and arrange a specific meeting to receive service here.

"We have improved our operation in the district office so that better service can be rendered here," the director said. "It was hard to justify keeping an operation such as this in Granite City so close to a regular office."

At present, a Social Security representative is present at city hall building in Granite City every Friday.

"We're not eliminating service in the Granite City area by any means," Brasher said. "In fact, prospects for growth and service. Those who find it impossible to get to the district office will see in their home if necessary."

## Charity Funds Stolen, Local Market Looted

Fifteen dollars was stolen from the charity fund of the Salvation Army office Monday when she was out.

Police said another staff member entered the office about 11 p.m. as two persons were leaving. Their names were given to the police for investigation.

A thief who removed the funds of an exhaust fan to gain access to the cash register, amounting to about \$150 from Van Buskirk's market, 25th and Benton streets, it was reported to police Tuesday morning.

Cameron Van Buskirk, proprietor of the market, said he was taken from a cash machine between \$30 and \$40 was stolen from the cash register and \$10 silver dollars were missing from a desk drawer. Also stolen was an unnumbered number of cartons of cigarettes.

The burglar hauled off the cash register by forcing an inside lock on a door.

**Rural Home Looted**

Three guns and a set of silverware were stolen between 6 p.m. Tuesday and 6 p.m. yesterday from the home of Bill Hain, 1029 McCambridge avenue, Madison; Ruby Valogh, 2912 Faith avenue; Doris Duke, 2201 Rock road; and McElroy, 2811 Kirkpatrick homes; Agnes Manesi, 2320 Twentieth street.

## Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent Tuesday: Lexie Vick, 2624 Madison street; Bernard Bariszewski, 1029 McCambridge avenue; Madison; Ruby Valogh, 2912 Faith avenue; Doris Duke, 2201 Rock road; and McElroy, 2811 Kirkpatrick homes; Agnes Manesi, 2320 Twentieth street.

## Nominations For 1962 Civic Award To Close Jan. 31

January 31 will be the deadline for nominations for the 1962 Civic Achievement Award. The award committee decided at a luncheon meeting Tuesday at the Ellis club.

The 14th annual award will be presented early next year, according to Alvin T. Barnes Jr., committee secretary. The award is a project of the Associated Retailers and Civic Association.

At least one award is given each year on the basis of service by a person or firm in bringing recognition to the community. Cities during the year or over a period of time. In recent years, two awards have been given.

An achievement awards trophy is engraved with the name of the recipient and the name of the award. The trophy is presented at a luncheon meeting Tuesday at the Ellis club.

The committee decided at the meeting to look for civic and service clubs and similar organizations in the community in making suggestions and nominations. Such suggestions have been issued in the past.

Nominations are to be sent to Barnes at the Associated Retailers office, 1904 Delmar avenue. The committee will hold its meeting Tuesday during the week of February 2 to act on nominations.

Ruth Huxel, chairman of the committee, said at Tuesday's meeting. Other committee members present were: Wm. C. Brown, Rev. Robert Baumann, Sidney Aubrey, Robert Gibson, Randall Robertson, Miss Michael Costello and E. G. Schmidt.

Committee members unable to attend were Loran Goad, A. William Morris III and C. E. Townsend.

## 10 More Pick Up Petitions In GC

Candidate petitions were obtained this week from Granite City Clerk A. L. Stevens by six aldermen and one township assistant supervisor. The filing period for next year's city-township election opens Jan. 7.

Latest to obtain nominating petitions were the following for aldermen posts:

Emerald Dawes, 17 Terrace street, First Ward; Robert Ward, 2215 Dewey avenue, and Lillian Joyce, 2002 Broadway street, both for the Fourth Ward; and John B. Moss, 2012 Omaha street, First Ward.

For the three township offices, petition were secured by John M. Winkler, 2118 Washington street, for the First Ward; Gaughan, incumbent, 2108 E. Webb Jr., incumbent, 2801 Idaho avenue, for the Second Ward; and Stevens, reported, two persons who refused to give names picked up petitions for the Fifth and Sixth Wards, and an unidentified man obtained an assistant supervisor petition.

The deputies, Louis Bowman and John B. Moss, said they were talking to the woman to their police car to obtain a receipt.

They talked to her about a wrecker, and their report shows she requested Andy's and John's from Granite City. However, Mrs. Miller, when interviewed by the sheriff's office, said she was confused and could not remember. Earlier she said she had not made the request.

**3 Wreckers Summoned**

The dispute began when the second tow truck arrived, and the Paul's Garage driver refused to move his truck. Mrs. Miller had said she did business with Paul's Garage. The night before she had a tow truck from still another garage to remove the Paul's Garage wrecker.

Both Deatherages were charged.

## Solons Advance Disputed, New \$100,000 Street

Street Foes Hope To Block Sudden Revival Of Plan

Quiet, sudden revival of a two-year-old street proposal is expected to revive the intense opposition, the Press-Record was told this week. Whether the foes will be able to muster enough force by next Monday night is unknown.

The \$100,000 expenditure, which opponents say will prevent or delay needed improvements of other Granite City streets, was placed on first reading Monday. Final action is possible as late as Monday night.

Sam Wolf, who was president when the Board of Realtors fought the Fehling road-Namekoi road connecting link in December 1960, said today the city would have not changed their stand. J. C. Cochrane, new realtor, said the plan was out of town today.

The realtors' formally-adopted position is that the city should not build a paved street on undeveloped, privately-owned land "for the financial gain of a real estate enterprise." They note that many other streets "have long been in existence, and the city construction proposal has grown to \$100,000."

**Switch On Right-Of-Way Plan**

And it is now proposed that the city pay for the right-of-way. In the original announcement in 1960, the developers' attorney and Alderman Walter Nomm had emphasized that the developers would provide the land.

Leo Wolf told the Press-Record today that there is a possibility that he would construct homes along the new street, but that this is not definite. He said he is no longer associated with the Leuders Agency in its proposed shopping center and apartments, but still is the builder in Leuders Park Estates.

Leo Wolf pointed out that he has, since built apartments near Pontoon road.

**No Holiday Inn Motel**

Henry Leuders said today that the shopping center and apartments are still part of the plan as originally submitted to the city, but that a proposed 100-unit Holiday Inn motel no longer is included in the proposed roadway.

Leuders said he believes any new two-half-built homes would be in the main part of Leuders Estates, rather than in the new subdivision.

Realtors who spoke against the original plan noted that they have been required to install streets in new subdivisions at their own expense, rather than receiving city funds to build the streets.

**Consider Court Action**

Alderman Paul Rutledge, one of those opposing the \$100,000 expenditure, said he expects that an effort will be made to defeat the resolution, despite the \$20,000 favorable vote on first reading.

He said court action is possible.

Alderman Edmund Bartosik, who seconded the street construction proposal, said:

**Two Downtown GC Fire Alarms Monday Evening**

Two fire alarms in downtown Granite City were answered within 20 minutes Monday evening at Steinberg Furniture store, 1815 Edison avenue, about 7:20 and an auto fire alarm about 7:25 in the 1900 block of Edison avenue.

Firemen said a short circuit in the office of the furniture store started about \$100 damage.

The second alarm, resulted from an overheated engine in the auto of Jack Fuhrman, 2315 Edison avenue. There was no loss of cash or Troy street, as 1935 Edison avenue when firemen responded.

## One-Year County Jail Term Given In Assault Case

Jack Ritchie, 24, of Granite City and Collinsville, was sentenced to a one-year term in the county jail Monday afternoon by Police Magistrate Gasparovic upon pleading guilty to a misdemeanor charge of aggravated battery against Ralph C. Mahoney, a Granite City Army Depot soldier.

The magistrate pointed out the charge could have been tried in circuit court as a felony and upon conviction could have resulted in a much longer term in the state prison.

Ritchie was involved in an altercation with Mahoney early this week in downtown Granite City. The soldier suffered a knife cut on the hand.

Donald Carney, 21, of 2438 Logan street pleaded guilty to the same charge, and a hearing was set for Jan. 16. Ritchie took the blame for the cutting and said his friend was not responsible.

**Fined For Drunkenness**  
Both pleaded guilty to being drunk and were fined \$25 each, including costs.

Earlier the same day, the two were involved in another fracas in downtown Granite City, police said.

They were charged with criminal destruction of property, disorderly conduct and battery in a complaint signed by Udon Green, 932 West Jefferson, Madison, who accused them of smashing the window of his auto and beating him.

Ritchie pleaded guilty to all three charges and the county jail taken under advisement. Carney pleaded not guilty to the same three charges and a hearing was set for Jan. 16.

Carney's bond totaled \$1450. He was sent to the county jail Wednesday after failing to make bail.

**Earlier Charges**  
Charges also were placed against Ritchie for intimidation and damage to property on Dec. 7. They were filed by his wife Janet, of 3706 Kirkpatrick, Holmes. She claimed he threatened her and broke a window.

On those charges he pleaded not guilty and a hearing was scheduled for Jan. 16. Property bond was set at \$1000.

Ritchie used two other addresses, one in Collinsville and one at the home of a relative in the 2000 block of 13th street.

Carney was free on bond after being bound over to the grand jury Nov. 30 on a charge of illegal possession of a firearm.

He was arrested Sunday, Oct. 28, in an auto driven by Gerald Jones, 24, of 2510 West 24th street. Also in the auto was Charles Don Shaver, 23, of Route One, the owner.

Police stopped their auto in the 1800 block of State street for a minor traffic violation. A bottle containing dried leaves of marijuana was found in the vehicle. Jones was charged with driving without lights and later with being intoxicated. The latter charge still is pending.

All three were charged with illegal possession of narcotics. Carney and Shaver waived preliminary hearings Nov. 30 and were freed on \$2500 property bonds pending grand jury action.

Jones was given a preliminary hearing this week on the narcotics charge and was bound over to the grand jury. The court continued a \$1000 bond.

**AFL-CIO Services To Distribute Baskets**

Holiday food baskets will be distributed to needy families of union members, the AFL-CIO announced at last night's meeting of the Tri-City Trades and Labor Council, AFL-CIO, by Edw. Hagauer, director of Community Services. He asked the 56 delegates present at the Labor Temple session to submit names for his office.

Council President Edwin Relaid reported that a representative of the Kansas City NLRB office will attend the council's Feb. 6 meeting to explain federal labor legislation and to aid the 54 union secretaries with preparation of annual financial reports.

Reiske was authorized to name a six-member committee to carry out the national COPE program and to keep local unions advised of trends in Congress. A visitor last night was Henry Henry of Springfield, a national AFL-CIO representative.

## Miss Virginia Koelker Crowned At School Variety Show

Miss Virginia Koelker was crowned "Miss Venetian" and Peter Fields "Mr. Venetian" for 1962 at the annual all-school variety show in Venice last night.

The two were chosen in balloting by students from six candidates. Identities of the new royal couple were kept secret until time of coronation.

The new "Mr. Venetian" is a brother of last year's crown holder, Jack Fields. Jack is away at college and was unable to be home for his brother's coronation. He was represented by Ignatius Shambro, runner-up in last year's coronation.

Miss Koelker was crowned by the retiring queen, Miss Frances Mangiaracino. The new queen,

17, is secretary of the Venice high school student council and is 1962 TAP queen. Her parents are Mr. and Mrs. Harold Koelker of 207 Hampton street.

Fields, also 17, is a son of Mr. and Mrs. Peter Fields of 212 Abbott street. He has been a member of the VHS Junior Red Cross for three years, and has been on the school's basketball and baseball teams every year in high school.

Crowning of the new titlists highlighted the variety show, which consisted of 21 student acts. The event was held in the school gymnasium.

**Madison Board Discusses Films, Hires Gitchoff**

The Madison school district will join a proposed film library for county schools if enough other school districts join to make the program feasible. It is proposed that the service be set up under the supervision of the county superintendent of schools.

The service will be possible if half of the schools in the county and two-thirds of the pupil enrollment take part. Supt. Wendell Brown reported to the Madison school board Tuesday night.

The library would operate from a rented building, Edw. Hagauer, part of the cost would be borne by the federal government through the National Defense Education Act. There also would be a charge of \$100 per school district plus 50 cents per pupil each year.

**New Attorney**  
The board acted on the resignation of Probate Judge Austin Lewis as school attorney. His successor, John Gitchoff, was appointed his successor. Gitchoff is a city attorney of Granite City and city corporation counsel of Madison.

Judge Lewis appeared in person to say farewell to the board and offered his services, as a citizen interested in the development of the school system, any time they may be needed. He commended the board on its choice of Gitchoff.

In other action, the board accepted the resignation of Mrs. Elva B. Smith, whose retirement becomes effective today. She has been a cook at the Harris school for 16 years.

Mrs. Helen Merski was transferred from Louis Baer school as a replacement. Mrs. Theresa Brzostowski was transferred from half-time duty at Harris school to full-time duty at Louis Baer school as a replacement for Mrs. Merski.

Miss Eleanor H. Barger, 1119 Reynolds street, was hired for half-time duty at Harris school to handle the milk program as a replacement for Mrs. Brzostowski.

Permission was granted the superintendent to hire part-time help when needed.

**Elmer Williams Dies; Ill For Two Months**

Elmer Clyde Williams, 66, a four-month resident of Granite City, died at 6:20 a.m. today at the Missouri-Pacific Hospital, St. Louis, of a cerebral hemorrhage.

Mr. Williams, who lived at 2139 Orville avenue, had been ill two months and at the hospital 17 days. He formerly lived at 500 North Second street, Dupo.

Born at Jerseyville, Mr. Williams had resided at Dupo 45 years before moving here. He was a retired switchman for the Missouri-Pacific railroad, for which he was employed 43 years. He was a member of the Church of Christ at Maplewood, Ill., and belonged to the Brotherhood of Railway and Shipbuilding.

Survivors include his wife, Laura; a son, Elmer L. Williams, Waterloo, a stepson, Gerald O. Heck of Granite City, two sisters, Mrs. Fred (Ethel) Davidson of Columbus, Kan., and Mrs. Collie (Clara) Smith of Rector, Ark.; and two grandchildren.

Funeral arrangements are given in today's obituary column.

**Girl Released From Hospital By Court**  
A court order was issued yesterday in Edwardsville by Circuit Judge Joseph Barr for the release of a Granite City girl from Alton state hospital. A writ of habeas corpus had been ordered on petition by the attorney for Karen Knacksteadt, 18.

She had been taken to the hospital Tuesday on an emergency commitment. The girl was identified by authorities as having been arrested on a prostitution charge Nov. 29 in a state-county raid on the Turtle Tavern near Collinsville. She gave the name of Bonnie Sattler, 21, of Belleville.

Her hearing on that charge is set for Dec. 28.

## Council Debates Levee Board And Local Citizens' Group

The levee district's refusal to pay \$100,000 toward the estimated \$200,000 cost of Necedah sanitary sewer replacement was debated Monday night by Granite City council members. However, no action was taken.

Leading the discussion was Alderman Walter Nomm, who got nowhere with a suggestion that the 15 citizens who sought an injunction against the levee district's \$1,300,000 bond issue withdraw any further objections so the city can get the \$100,000.

He was challenged by Alderman Donald Partney, one of the 15 plaintiffs in the injunction petition.

While the injunction was granted and then dissolved, the citizen group will until Jan. 3 to file an appeal. The 30-day period extends beyond the Jan. 1 deadline, after which the levee district must call a referendum to get general obligation bonds.

**"Good Job" Remarks**  
When Nomm told the council the citizens could "do a good job" by not filing any appeal, Partney replied he believed "the citizens did a good job for the taxpayers."

Partney added, "I don't think the levee board was going to give the city the \$100,000. If they were, they would have done it five months ago."

"The levee board should be paying 100% of the cost of the job. We had competent inspectors on the city's portion of the original installation. And our inspectors were told to keep away from the areas where the levee district was putting in the trunks," Partney said.

**Won't Withdraw**  
Partney said he would not withdraw his "fifteenth share" of the injunction petition.

He continued, "Tolar (Levee Board President Lawrence Tolar) said last week the city wouldn't get the \$100,000 if the \$1,300,000 bond issue did not go through." Partney went on to point out the levee district was not including the \$100,000 for Granite City in the \$1,300,000 bond issue, but was planning another bond issue for it.

Nomm said he was not in any way connected with the levee board.

While he urged the citizens group to withdraw its objection, he added later that he was not in favor of the bond issue. "I think it's wrong, but the city is caught in the middle."

"We can't get the money until the citizens withdraw their objections," Nomm said.

**Savings To Taxpayers**  
Partney stressed the savings to Granite City taxpayers should the bond issue be blocked. He pointed out Granite City would be paying \$600,000 in taxes for the bond issue to get \$100,000 for the sewer replacement project along Aubrey and St. Clair avenues.

"That \$100,000 would keep the city from going in the red," Nomm replied.

"It would be a bigger savings to Granite City not to pay for the bond issue," was Partney's retort.

Entering the debate, Nomm's companion Fifth Ward alderman Steve Basarich said the citizens' objection was well taken, but "perhaps they should carry it to Springfield."

**Mayor Joins In**  
Mayor Davis also joined in.

"I'd like to add that I don't lean toward the levee board. I'd like to take the levee board for \$200,000 or \$100,000 and get it for the city."

"I am not criticizing the citizens. My job is to get \$100,000 for Granite City," the mayor said.

The mayor went on to say he tried for two weeks to get a meeting with Tolar to discuss the \$100,000 and finally was able to meet with him on Dec. 5.

In opening his remarks, Nomm was critical of the Press-Record, saying he was with Mayor Davis at the levee board office in East St. Louis and they were there

from about 6:30 to 8 p.m. meeting with Tolar, Board Member John Molla and the engineer, A. L. Kraemer.

**Not Seen At Meeting**  
A Press-Record reporter was at the levee board office that same evening to attend a regular session of the board and did not see mayor or Nomm there. He arrived shortly after 7 o'clock.

"We were there and it was as open a meeting as we hold here for the city council," Nomm said.

Nomm, a former levee district employee, repeated that he no longer has connections with the levee board. "I'm an Al Fields man," he told the council.

He added that the mayor "did a good job in presenting the city's case for the \$100,000 to the levee board." He blamed the citizens' group for blocking the \$100,000 and also for the governor's veto of a \$13,000,000 bond issue proposal for sanitary and storm water sewers in Granite City.

The citizens' group was instrumental in getting the General Assembly to approve the special legislation.

## Court of Honor Held For Scout Troop 12

Boy Scout Troop 12 held a Court of Honor Monday evening at Niedringhaus school with approximately 75 persons present. Refreshments were served after the meeting.

Frederick Hacke, scoutmaster, and John Matras, assistant scoutmaster, presented the awards as follows:

Tenderfoot, Craig Maer, David Morgan and David Whitecotton; David Holmes, Bill Paul and Larry Seibold, first class pins; Jim Anderson, Bill Bartels, Jim Carlie, Larry Hacke, Larry Knox, and Harry Zammmer, second class pins.

Patrol leader patches, Louis Mohl, Joe Henry, Bill Fulcher and Bill Anderson; year pins, Bill Bartels, Larry Knox, Larry Seibold, Rick Woods and Gary Schmitz, one year; Bill Fulcher, and Louis Mohl, two year; Emory Ackerman, Steve Conway, George Motsegood, Peter Maer and Jeff Parmley, three-year Patrol leaders' patches were awarded to Louis Mohl, Joe Henry, Bill Fulcher and Bill Anderson.

Steve Conway and Richard Paoli received Star Scout pins. Peter Maer and John Matras were given Life Scout pins and George Motsegood was given a Gold Palm on an Eagle Scout pin. Duplicate badges were presented to the scouts' mothers.

## Meeting Friday On Nameoki Twp. Sewer Program

Nameoki township officials are to confer tomorrow with Chicago officers of the H. W. Lochner Co. engineering firm on the status of the proposed sanitary sewer system for the township.

Town Clerk John Karlechik Jr. informed the town board of the meeting during last night's session. Supervisor Harry Briggs was absent.

The board tabled until March 6 the 1963 budget request by Town Collector Elbert Coats, who is seeking \$3460 for operation of his office. The auditors want to determine if the township has a resolution requiring officials to hire residents of the township.

Coats is seeking \$3000 for four deputy collectors, \$400 for stationary, postage and equipment rental and \$50 for deputy, burglary and robbery insurance.

With specifications now available, bids are to be sought for an exhaust fan for the town hall.

## Four-Day Holiday At A. O. Smith Corp. Plant

A. O. Smith Corp. employees will have a four-day Christmas holiday with the local auto frame manufacturing plant to close at midnight Friday, with production to be resumed next Wednesday morning.

For New Year's, five-hour shifts will be worked Monday, Dec. 31, and production will be resumed on the morning of Jan. 2.

The plant's usual Christmas dinner is being served to all employees today in the decorated cafeteria. Entertainment is being provided by the A. O. Smith Family Chorus, composed of 25 employees and members of their families.

The chorus is singing in the plant throughout the day and giving special programs at the dinners served for all three shifts.

About 1400 turkey dinners "with all the trimmings" are being served.

## Rotarians Entertained At Christmas Party

Past presidents of the Granite City Rotary Club were honored Tuesday at a Christmas program at the YMCA. About 12 past presidents attended and 30 Rotary wives.

There were special decorations for the event and a gift was given to each of the wives. Also present was Rotary district governor Earl E. Jukes.

A program of entertainment was provided by a Granite City high school choral group of 70 students led by Warren Simpkins. They presented a half-hour program of Christmas carols.

## Group To Distribute 350 Treats In Madison

Christmas treat bags of candy and fruit will be distributed to 350 youngsters and elderly persons in the Greener and Garasche homes in Madison this evening by members of the "Greenwich" Activity organization.

The group of 17 persons, headed by Mrs. Lila Poston, packed the sacks yesterday.

Funds to buy the treats were raised through special candy sales, a fish fry and contributions, but there was no solicitation.

## SWC Game Here Friday

## Redmen Have Opportunity To End Edwardsville's 5-Game Win Streak

Granite City gets the opportunity to knock the high-flying Edwardsville Tigers out of first place in the Southwestern Conference here tomorrow night. Coach Ron Harris' Bengals with a new look hurry-up style this season, should provide the Warriors with lots of trouble in the final contest this year for both clubs, and one of three SWC affairs set for Friday.

Alton, beaten only by Edwardsville, will play at Wood River, while East St. Louis is seeking its first league victory in Belleville.

### Can Tie For First

The Warriors are assured of at least a tie for first place at the holiday break should they stop Edwardsville's win streak at five games.

Unbeaten this season and with wins over Wood River and Alton in conference play, the Tigers will be giving away about two inches per game here tomorrow at go-ahead time.

Probable starters are Bob Paproth (5-11) and Rich Gusewille (6-0) at the forwards, Bob Hawkins (6-2) at center and Al Vest (5-9) and Larry Schaeke (5-7) at the guards.

The obvious lack of height is one of the main reasons for Harris' stress on speed and the fast break. So far, the Bengals have made it work against Highland (twice), St. Anthony's of Effingham and two SWC members for a 5-0 season mark which includes the first-place trophy in the Rockham tournament.

Most observers feel the Bengals are headed for a fall, if not against Granite City then at the hands of Belleville or Collinsville, the first two January opponents for EHS.

Coach Andy Sullivan's tribe if it can polish some of the rough edges this week in practice could end the longest winning streak by a major school in Southwestern Illinois.

**Plus And Minus**  
The Redmen have been alternately brilliant and flat in winning three of five games. They have shown that they are capable of playing good defense, of breaking an opponent's press and, particularly, that they can come from behind.

At the same time, they have been beaten on the boards by smaller men and their floor game has been shaky.

## Ragan, MBC Tied For Classic Lead

### At Holiday Break

Ragan Lumber rolled over Schlitz Beer 97-70 and Madison Bowling Club edged Ernie & Annie's Club 61-50.

Ernie & Annie's Club, which has played Monday night at Coolidge Junior High, has a 4-0 record.

It was the third straight win for each team, current leaders in the eight-game league, which will be idle until Thursday, Jan. 3.

Dan Graeville hit 32 points for Ragan to take individual scoring honors for the night and pace Ragan, which had a 46-25 lead at halftime.

Don Williams, who had 22 and got help from John Dingworth with 15, Bill Page scored 17 for Ragan.

Ernie and Annie's cut a 10 point halftime Madison Bowl lead almost in half during the second quarter, but could not catch up. Bob Jones and Don Williams each rimmed 12 points for MBC. Don Harmon with 15 and Joe Gonzales with 10 were the losers' scoring leaders.

## Dunbar Wins 41-38, Enters Dupo Tourney

Dunbar grade school of Madison evened its basketball record at 2-2 Monday night with a 41-38 victory over Hughes-Quinn. Ronald Burt scored 11 points for Dunbar, which led 21-19 at halftime.

Dunbar is entered in the Dupo grade school blind draw tourney tonight and tomorrow, together with Dupo, Cahokia and Central of Belleville. Best-round pairings will be drawn an hour before the first game.

FIRM POSSESSION. Worden's Bob Hodge (22) stakes a claim on a missed shot during Tuesday's Venice-Worden basketball contest in Venice, won by the Red Devils 67-46.

Surrounding Hodge are Larry Schaefer (24) of Worden, Paul Sifton (20) and Jerry Cico (32) of Venice, Worden's Gary Thomas (33) and Jim Hornann (22) of Venice.

## Venice Turns Back Worden, 67-46; Averages Tournament Loss To Trojans

Coming up with the best scoring balance of any game this season, Venice soundly defeated Worden Tuesday night in a Madison-Clinton-Macoupin counties conference basketball game at Venice, 67-46.

Eight players contributed points for the Red Devils, and Coach Bill Ohlendorf's team fasted its largest point total in nine games and convincingly clinched much of the season which just last Friday had bounced Venice 59-46 in the MCM tournament third-place game.

Stretch Lead To 18 Paul Sifton came through with a 19-point performance, an individual single game mark for the Devils this year, as Venice pulled out the stops with a 24-point third quarter, also a season high water mark, to stretch a four-point halftime lead to 18 at the end of the third period.

"Things jelled for us," said Coach Bill Ohlendorf. "We didn't play much basketball in the tournament last week, but we played a real good second half Tuesday."

The 45-point total in the final two periods against Worden was yet another season high point for the Devils, who jumped right back into contention in the MCM loop, leapfrogging past Breese, an 89-81 victim of Weslin Tuesday night.

Venice held high-scoring Larry Schaefer for three points for three quarters, with Sifton doing the shadowing in Ohlendorf's man-to-man defense. After Sifton fouled out in the final period, Schaefer rimmed 11 points.

## Hit Good Percentage

Venice shot a blistering 19 for 33 in the second half, and hit 44% of its field goal attempts in the game. Worden 4-5 for the season, the Devils do not play again until Jan. 4 when the chance to avenge another loss in the MCM tournament presents itself at Breese.

Worden salvaged Tuesday's jayvee game, 41-46, Terry Cooper hit 12 points and Howard Black 10 for the Little Devils. The varsity scorers: Venice—Paul Sifton 19, John Hornann 13, Jerry Cico 11, Pete Fields 9, Ken McMullen 8, John Robertson 4, Mike Edwards 2, Howard Black 1, Larry Mueller 0, Bill Getz 0; Worden—Schaefer 14, Hodge 11, Radue 10, Opel 6, Thomas 5, Blevogel 0.

## MacMillan Hands Earle First Loss; GC Matmen Down Riverview Gardens

Three Granite City high school wrestlers last night defeated for the first time this season Tuesday night, but as a team the Warriors were too much for previously unbeaten Riverview Gardens, scoring a 28-19 victory over the St. Louis visitors.

Coach Bill Schmitt's boys, who will tackle two tough northern Illinois schools over the weekend, won six bouts, lost five and drew in another, with their point edge due to pin-wins by Rich Bledsoe, Tom Vasileff, Larry Reynolds and Denny Petroff.

The most impressive match victory by a Warrior was Skip MacMillan's 9-2 win over Jim Earle, two-time Missouri state

champion at 112 pounds, who had won 56 straight bouts before Tuesday night.

**GCIS Stands 4-0**  
Earle lost for the first time in his high school career, and the Riverview Gardens team had a bluish added to its record, which is now 4-1.

Granite City stands 4-0 and, although it is a little early to predict another Southwestern conference championship, it holds a 2-0 edge over opponents there.

Nevertheless, Schmitt said today that he would be happy to settle for a split over the weekend. Tomorrow afternoon, GCIS wrestles North Chicago and on Saturday afternoon meets Waukegan, whose 10-20 edge marked Granite City's only dual meet loss last season.

**Tournament Here**  
Traveling by train, the squad will arrive back here in time for Christmas. In fact, Schmitt plans a Dec. 24 morning workout.

"We have lots to do in getting ready for our own tournament," he said. The GCIS invitational, a 10-school, double elimination tournament, is scheduled on the Warrior mats Dec. 27-28.

Maya Shuttout  
Not overshadowed by the varsity's important victory was the

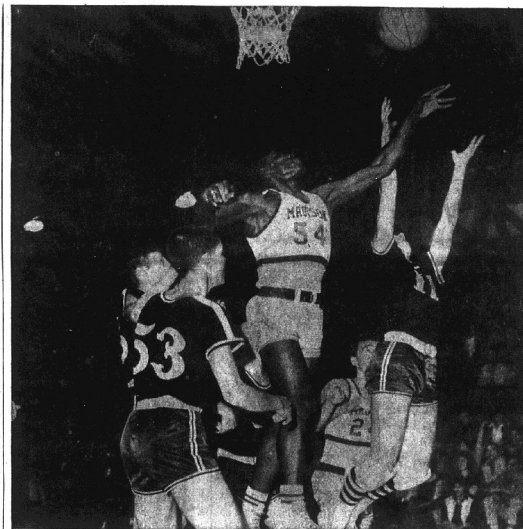

Warrior jayvees' 48-0 win in simultaneous matches. No one at the school could recall a previous meet where a GCIS junior varsity opponent had been blanked.

The varsity match results: 95 pounds—Mike McDonald (RG) defeated Paul Lapinski, 3-2; 103—Richard Bledsoe (GC) pinned Bob Earle, 2-30; 112—Skip MacMillan (GC) defeated Jim Earle, 9-2; 120—Rick Kessler (RG) defeated Jim Cavanaugh, 11-4.

127—Tom Vasileff (GC) pinned Jerry Driemeler, 3-07; 133—Larry Reynolds (GC) pinned Dennis Deichman, 2-50; 138—Joe Crider (GC) and Drew Schumacher (RG) drew, 2-2; 145—Jim Sumner (GC) defeated Bob Blankenship, 12-2.

154—Ray Slaton (RG) pinned Bob Decker, 2-40; 165—Denny Petroff (GC) pinned Wayne Thauwachter, 0-45; 180—Dave Mack (RG) defeated Bob Forshae, 5-1; heavyweight—Mike Griffin (RG) defeated Mike Fry, 4-0.

Junior varsity winners by falls were Bob Yates, Steve Cavanaugh, Dan King, Mike Niwells, Richard Grizzard and Tom Mofsky. Decision winners from Granite City were Pat Kincaid, Nick Petrillo, Eddie McGauley, Ernie Kern, Eddie Broyles and John Evenden.

**CECIL SOARS.** Madison's Cecil Bell, who snatched 14 rebounds for the Trojans in their 61-43 win over Dupu in Madison Tuesday night, goes high into the air for a missed (53) and Gary Cook (behind Henson) and Tom Lubak (24) of Madison.

31 Points, 14 Rebounds

## Bell Rings Loud And Clear As MHS Races Past Dupu's Tigers, 61-43

The popcorn served up to Madison high school basketball players following all home games must have tasted a little better than usual Tuesday night, following the Trojans' improved showing in a 61-43 Midwestern conference win over Dupu's Tigers.

And if Cecil Bell grabbed an extra sack, well, you could hardly blame him.

The only varsity returnee playing in the shadow of last year's great 26-1 MHS club, Bell grabbed 14 rebounds and stuffed in 31 points, easily the outstanding individual performance of the night and his best of the year.

Teamwise, the Trojans looked quicker than in earlier games, so quick in fact that Dupu, against which is Madison's meat, could get off only two shots during the first 11 minutes of play!

**Battled By Press**  
An admittedly green team, the visiting Tigers seemed easily rattled by Madison's press, although Coach Paul Taylor said afterwards that he had worked on little else in preparation for the Madison game.

Dupu got off two shots from the field in the opening quarter but stayed in the game from the free throw line. The Tigers then spent the first three minutes of the second period when they had the ball, which was not often working for another shot before Gail Rhine hit two quick

jumpers to pull the visitors even at 15-15.

But Bell, who had 19 of his 31 points in the first half, strung seven straight while Madison held the Tigers pointless, and school was out for Dupu.

Madison Coach Earl McClannahan continued to work with his most knotty problems: lack of scoring from his guards and at one forward. He unveiled a double post box offense and used no less than six players listed on the program as guards.

Still, Bell and guard Hayes Wright, who had at least one bucket in each period, carried the scoring burden, accounting for 45 of Madison's 61 points.

Against Dupu, that 1-2 punch was more than enough; against some of the more seasoned clubs remaining on the Trojan schedule it may not be.

Neither Don Rhine nor Gary Cook could handle Bell, a junior who set up many of his shot opportunities with good moves underneath, although both Dupu defenders were bigger.

**Rebounding Edge**  
Madison grabbed off 32 rebounds, the taller Tigers just 21, with Bell's retrieves again the difference.

While they shot 44% from the field, the Trojans had a dismal night at the free throw line, converting just 11 of 24 for 45%.

Dupu took just 36 shots, hitting 13 for 36%, but went 15 for 27 free Gail Rhine hit two quick at the line, a 30-30 35%.

Madison's junior varsity won easily, 65-45, with Dale Turner scoring 18 points, Ollie Wright and John Summers 11 each and Bob Fouts 10.

Now 5-1 overall and 2-0 in the Midwestern conference, Madison will play non-conference opponents Triad tomorrow night at the Knights' gym, and then enter the annual holiday tournament at East St. Louis on Dec. 26.

The varsity scoring: Madison—Cecil Bell 31, Hayes Wright 12, Clint Robinson 5, Tal Fisk 4, Gary Swinner 4, Tom Lubak 3, Bob Fouts 2, Jack Miller 0, Paul Lusk 0, John Summers 0, Dale mers 0, Dale Turner 0, Dupu—Bruce Conner 10, Gail Rhine 9, Gary Cook 9, Jim Kolenberger 7, Bob Henson 4, Terry Taylor 3, Don Kussmaul 1, Gary Lane 0, Don Rhine 0.

**Score by quarters:**

## Roxana 66-52 Winner Over Prather Chiefs

Roxana freshmen scored a 66-52 win over Prather Junior high school's ninth graders here Tuesday night, while Prather was a 30-58 winner in the preliminary eighth grade basketball contest.

Three players scored in double figures for the Chiefs, but lack of accuracy at the free throw line in the second half led to the loss. Coach Bob Miller said Roxana led 28-27 at the half. Bill Cox with 15 points, Len Revelle with 14 and Jim Rains with 13 led the Chiefs. Dubeldee had 19 for Roxana. Prather led 21-12 at halftime in the eighth grade game. Joe Martinez led the winners with 15 points and Dan Partney added 10.

### New Rank Badges To Scouts of Troop 15

Fifteen scouts were advanced in rank at a court of honor conducted Monday night by Troop 15, sponsored by the Fraternal Order of Eagles.

Four boys, Craig and Don Haynes, Charles McMillan and Larry Stowar, received life scout badges. Star, first class and second class badges also were awarded.

Scoutmaster Charles Rodell, Assistant Scoutmaster Earl McMillan and James Shane, advancement committee chairman, presented the new badges. Scouts' mothers received pins of rank equal to badges of their sons.

Advanced to star rank were Ralph Thays and Richard White while Greg Vessas and Kendall McMillan received first class badges. Keith Niggy, Alex Tysa, James Worthen, Tom Schmidt, Charles Vartan, Dick Skirball and Ray Ross received second class badges.

The German interpreter patch was presented to Richard White and merit badges were presented to scouts having met requirements.

### County Wants To Hire Mapping Supervisor

The Madison County Zoning committee is seeking a mapping supervisor to replace Howard Ely of Gillespie, who is retiring. Ely has held the post since 1956.

Applicants are being asked to submit their names to the zoning office in the court house at Edwardsville by tomorrow.

Ely has supervised aerial photography and survey work to compile maps and charts of the county for property assessment purposes.

### 3-Day Weeks At American Steel For Holidays

The local American Steel Foundries plant will be in operation three days next week—Wednesday through Friday—and the same schedule will be followed for the New Year's holiday.

The plant is expecting to return to a five-day work week for the week of Jan. 7 for the 600 employees.

### NEWLY INSTALLED PRESIDENT OF THE Tri-City Bar Association

is Leo Konzen, who this week announced the start of a series of informative programs for local lawyers.

### Konzen Announces Lawyer Program Series

A series of informative programs is being planned for the 1963 meetings of the Tri-City Bar Association, it was announced today by newly-elected President Leo Konzen.

Konzen, who succeeds George Moran to the office, said the first meeting will be held Jan. 15 at the Missouri Athletic Club with a certified public accountant to outline tax laws as they pertain to professional people.

Co-sponsoring the program is the Granite City Trust & Savings Bank, and guests of the association will be physicians of the community.

Konzen recently took office, and other new officers of the local lawyer group are Merlin G. Hiscott, vice-president, and George Fickoff Jr., secretary-treasurer. Konzen is associated with the firm of Lueders and Robertson.

### Five Bids For Street Dept. Trucks Studied

Under study by the council's Street committee are five bids received Monday for two new trucks for the street department.

Alderman Estill Von Schmitt said the committee needs to determine freight costs on the vehicles. "Some include the cost and others don't," he said.

The bids were presented to the council Monday night. All include trade-in allowances for three old sanitation department trucks.

The bidders and the total amounts quoted by Schmitt were: Hurdley Pontiac Co., \$6405; B. F. Hohl, Inc., \$7199; Farrington Motors, \$6442; Brewer Motor Co., \$7241 and Mathews Chevrolet Co., \$6396.

### Driver License Station To Close Christmas Eve

### CHRISTMAS PARTY FOR SENIOR SCOUTS

Miss Charlotte Weiss entertained her troop, Senior Girl Scout Troop 234, Sunday afternoon in her home, 3723 Nameoki road, for the annual Christmas party.

Patrol Two prepared and gave a play to entertain the guests. The patrol also planned the games that were played, with each guest winning a prize. Scouts in this patrol were Nancy Benson, Marilyn Bonedarg, Merle Willis and Sodoma Brewster.

Immediately following the games, the scouts enjoyed a gift exchange. While the girls were opening their gifts, Edward Stegle, husband of the leader, took pictures of the leader.

Refreshments of hot chocolate and Christmas cookies were served by Patrol Four, which included:

### BIRTHDAY CLUB ELECTS OFFICERS FOR YEAR

Mrs. Harry Leffler, 2161 Lynch avenue, entertained the Birthday Club Monday evening in her home for its regular meeting and Christmas party.

A brief business session was conducted to elect new officers for the coming year. Mrs. Andrew Orsey was elected as president, Mrs. Gail Phelps secretary and Mrs. William Seibold, treasurer. Following the election, all members drew names of secret pals for the year.

Mrs. Leffler held the party in the basement playroom of her home, which she decorated with a holiday theme, using a large tree decorated with brightly colored ornaments as the center of interest.

The buffet table held lighted candles, and small Santa Claus placed along the center of the tables as centerpieces.

Other members of the club present for the party were Donna Bracomonts, Terry Reid, Janet Serin, Laurence Shelt, Marion Sullivan and Debbie Spahr.

### SANTA VISITS CUB PACK 96

A regular meeting of Cub Pack 96, sponsored by the Maryville school PTA, was held Monday evening in the school.

The meeting was opened with Den One presenting the colors, followed by the den chiefs participating. All the scouts enjoyed a period of singing of Christmas carols.

Cubmaster Don Laughlin presented awards to cub scouts who had completed the necessary requirements for badges: Jimmy Koertge, Rusty Barton, Gregory Penrod and Alan Stairs. Dinner and assistant dinner stripes were awarded to Jacob Gaudault, Clarence Viesman, Kory Daniel, Roger Mayas, Gary Daniels and Alan Stairs; three-year pins to Stuart Laughlin; two-year pins to Paul Dorogahai and Kevin Knutti; and a recruiter award, Steven Laughlin.

A visit from Santa Claus was enjoyed, with each cub receiving a gift from him. Den Five closed the meeting by retiring the colors. Refreshments were served to all present by members of Den Two.

The next regular meeting will be held Jan. 2 at the home of Mrs. Dan Stairs.

MRS. VIRGINIA AHRENS 2838 Edgewood TR. 7-3346

AWARDS PRESENTED AT WILSON CUB PACK PARTY

Cub Pack 122 enjoyed a Christmas party Monday evening at Wilson school.

Den Three, under the direction of Mrs. Rose Zoller, presented the opening flag ceremony and the pledge of allegiance to the flag. Den One, under the direction of Mrs. Beverly Singleton, presented the "Ingredients for a Christmas Cake." Cubmaster, Lawrence Astin presented awards earned by Billy Bone, Gary Powers, Mike Johnson, Dennis Byrnes, Gary Powers, Tommy Smith, Mark Rollinger, Terry Howard, Ron Howard, Charles Wilkins, David Marler, Philip Bryan, Mark Renick, Jack Reichard, Mike Yeager, Virgil Eick, Don Allen, Michael Johnson, James Thompson, Mrs. Carolyn Monahan, Eugene Burke, Mrs. Mary Marler, Mrs. Wanda Penick and Ray Duke.

Honor badges were given to Paul Bryan, Robert Miller, Dennis Byrnes, Virgil Burke, Gary Powers, Donald Carroll and Greg Holstrom. A candlelight ceremony was held for two new cub scouts, Gene Briggs and Noel Little and a graduation ceremony to Boy Scout Troop 122 for Tommy Smith. He was accepted by Scoutmaster Clifton Smith and Boy Scout Ricky Smith, with Michael Ahrens, David Cedar, Mark Beasley, Ricky Aslin, Virgil Burke, John Tolbert and David Marler taking part. After Christmas carols were sung, Santa Claus visited with gifts, candy, oranges and apples for the children. Mrs. Tolbert accompanied at the piano. The committee chairman, John Hill, announced that the next pack meeting will be held Monday, Jan. 7, 8 and 9, and announced he is leaving the position of cubmaster.

The meeting adjourned to a social time, with doughnuts, coffee and soft drinks served.

**CHRISTMAS PARTY FOR MARSHALL CUBS**

A Christmas party was enjoyed by Cub Pack 17, sponsored by the Marshall school PTA, Tuesday at the school. The pack has no cubmaster at present and John Gray was acting cubmaster.

He presented awards earned by Eric Stuber, Jack Bridges and Gordon Lloyd, a one-year service pin to Mrs. Blanche Kopke and two-year pins to John Lloyd and Virden Cahill. A graduation ceremony was conducted for Allen Chen advancing from Pack 17 into Boy Scout Troop Three. He also was presented with a three-year pin. Short plays were presented by Den Two under the direction of Mrs. Rose Stuber, entitled, "Christmas," and Den Four, "The Shepherd." In the absence of Mrs. Wilma Bridges, M. Stuber was in charge of Den Four.

Bobcat pins were awarded to Danny Berna, George Billyue, Eugene Doyle, Gavin Grace, Morris Martin, Mark A. Ja. Cruise, David Hordesky, Larry Finley, Mike Mulliken, Bobby Wiggin, Tommy Keller, Terry Willis, Terry Berna and Gordon Willis.

A gift exchange was held by the children, and refreshments were served by the mother and den mothers, Mrs. Stuber, Mrs. Kopke and Mrs. Phyllis Wiggin.

**INVESTITURE AT SACRED HEART**

Brownie Troop 941 of the Sacred Heart school held an investiture ceremony Tuesday at the school with the leaders, Mrs. Mary Ahrens, and co-leader, Mrs. Margaret Kwiatkowski, in charge.

Arrangements for the luncheon were made by committee mothers, Mrs. Jackie Frances and Mrs. Marie Whaley, with Mrs. Marion Hennrich assisting. Girls invested were Patricia Ahlers, Julian McIntyre, J. J. deane, Bruce, Janet, Schmidt, Kathy Buehler, Kathryn Vasquez, Patty Dwyer, L. L. Whaley, Mary Dale, Patty Domitrovich, Beverly Francis, Debra Gargac, Theresa Gehrs, Barbara Graham, Catherine Hennrich, Denise Kayich, Gloria Konkel, Barbara Kula, Kathryn Kwiatkowski, Barbara Little and Jo Ann Lotzy. One-year pins were presented to Christine Von Nida and Debbie Blair.

**GIRL SCOUT HOLIDAY PARTY AT SCHOOL**

A Christmas party was enjoyed by Intermediate Girl Scout Troop 120 at Wilson school Tuesday with the leaders, Mrs. Helen Schweidemann and Mrs. Mary Sturdevant, in charge. A gift exchange and games were enjoyed.

## CHRISTMAS PLAYS BY ST. JOHN CUBS

A Christmas party was enjoyed Tuesday by Cub Pack Three of St. John United Church, with the opening flag ceremony by Den Five under the direction of Mrs. Judy Stille.

Short plays were presented by Den Five and Mrs. Stille, entitled "Magic Tricks," and Den Six, led by Mrs. Violet Adams, entitled "The Christmas Story." A candlelight graduation ceremony was conducted for Charles Rivenburgh, who advanced to Boy Scout Troop Three. Cubmaster, Stille, presented awards earned by Ricky Stille, George Portz, Philip Dorthe, Ricky Couch, Glen Bailey, Michael Adams and David West. The pack charter and registration cards were presented by Kenneth West. The charter will be presented to the church. A basket was filled for a needy family by the club, and a gift exchange was held by the children. Christmas carols were sung.

Refreshments were served by Den Six under the direction of Mrs. Adams and Mrs. Judy Bailey.

## CHRISTMAS PROGRAM AT CIRCLE MEETING

The December meeting of the Helen Lambert Circle of Calvary Baptist Church was highlighted with a Christmas program, Tuesday, given by Mrs. Rosalee Jones and Mrs. Bernice Snider, with Mrs. Dorothy Miller giving the Scripture reading.

Mrs. Snider and Mrs. Ruth Moser offered prayers, Mrs. Elna Williams substituted as secretary for the meeting.

A discussion was held on a missionary deed for this month.

It was decided to send a gift to a tuberculosis sanatorium patient from the Circle.

The hostess, Mrs. Mary Marler, served refreshments in her home, 2828 Dale avenue, to the group.

## JUNIOR DEPARTMENT CHRISTMAS PARTY

A Christmas party was enjoyed Tuesday evening by the Junior department of the Shepherd Evangelical Brethren Church, in the Roy Thompson home on Edgewood avenue, with the teacher, Mrs. Katherine Sedlack in charge. Games were enjoyed and prizes were awarded. A gift exchange was enjoyed.

Refreshments were served to Jane Kinkel, Vickie Drury, Valerie Bone, Jo Lynn Sherman, Patricia Ahrens, Betty Wallace, Michael Ahrens, Ricky Thompson, Michael White, Billy Bone, Lynn Smith, Johnny Kearby, Alan Pyle and Steven Brown and a guest, Jackie Thompson, by Mrs. Sedlack.

## CHRISTMAS PARTY OF BRIDGE CLUB

The E and E Bridge club met Tuesday at the Den restaurant to enjoy a Christmas party. Dinner and a gift exchange were held.

The birthday of Mrs. Joan Hillmer was celebrated. Games were played and prizes were awarded to Mrs. Shirley Costilla, Mrs. Lillie Loar and Mrs. Doris Edwards.

Table decorations were a green net Christmas tree and angels for favors.

Other members enjoying the party were:

Handbrink, Mary Beth Hughes and Ann Lore and Miss Laura Loar.

Mrs. Loar invited the club to her home on Edgewood avenue in January.

## CLUB YULE PARTY AT MILLER HOME

Mrs. Barbara Miller was hostess in her home, 3008 Sunbury avenue, Monday evening to her club. A Christmas party was enjoyed, with a gift exchange.

Games were enjoyed and prizes were awarded to Mrs. Miller, first, Mrs. Josephine Matthews, second, and Mrs. Myrtle Lewis, third.

The hostess served refreshments to the above and Mrs. James Joyce Campbell, Joyce Sartin, Jo Ann Ripper, Donna Troockler, Alma White, Pauline Mezo, Virginia Rainwater and Tony Keazo.

Mrs. Mezo invited the club to her home on Glen place in January.

## CHRISTMAS LUNCHEON FOR JOLLY MATRONS

A pot luck luncheon was held during a Christmas party enjoyed by the Jolly Matrons club Tuesday in the home of Mrs. Lottie Ostresh, 2034 Thirtieth street.

Games were enjoyed and prizes were awarded to Mrs. Lucille Klug, first, Mrs. Helen Thiele,

second, and Mrs. Margaret Presnell, third.

A gift exchange was enjoyed by the above mentioned and Mesdames Barbara Wood, Anna Mae Murphy, Della Murphy, Wanda Baker, Mildred Werner, Margaret Grams, Johanna Milovich and Frances Ostresh.

Mrs. Thiele invited the club to her home, 1509 St. Clair avenue, Jan. 3, when the birthday of Mrs. Baker will be celebrated.

## SURGICAL PATIENT

Mrs. Wilma Bridges, 2901 Faith avenue, entered a Jewish Hospital, St. Louis, Monday to undergo surgery next Monday. Her room number is 624, and she would like to hear from her friends.

## General Steel Plant To Close For 4 Days

The 1700 employees of General Steel Industries plant, who today are being served the firm's traditional Christmas dinner in the plant cafeteria, also will have a four-day Christmas holiday.

A company spokesman said the plant will close at the end of the last shift on Friday and reopen next Wednesday morning.

The plant will be in operation on Monday, Dec. 31, and will close for New Year's Day.

## River Ice Formation Fastest Seen Here

Last week's ice cover on the Mississippi River was the fastest witnessed in this area by veteran river observers, according to Col. Alfred J. D'Arrezzo, district engineer.  
Col. D'Arrezzo said the moderation of daily temperatures has stopped the formation of additional ice, and the river stage at St. Louis is now rising.  
The river reached its lowest stage of the year at St. Louis last Thursday, dropping to a minus 4.3 feet. The drop was caused primarily by ice on the Mississippi, Missouri and Illinois rivers, Col. D'Arrezzo said.  
He said sufficient depth for shipping has been maintained over the sill at the Alton locks by the new rock fill dam near the Chain of Rocks Bridge. Shipping difficulties encountered by the ice-scattered piers between St. Louis and Cairo.  
Col. D'Arrezzo said dredges are now working to remove temporary obstructions in the river. An additional dredge has been placed near Memphis to join the two already in operation in the St. Louis Engineer District.

## Pontoon Beach Water Line Bids Under Study

Three bids for an extension of service by the Pontoon Beach Public Water District are under consideration and a decision is expected late this week. It was announced today by Andy Bukovac, chairman of the district trustee board.  
The trustees are to confer with Gerald Kent of Kent Realty Co. on the 1675-foot extension of a six-inch water main to the new Lakeview subdivision along State Route 111.  
A special meeting of trustees will be called to award the contract, Bukovac said.  
The bidders were E. A. Weinel Construction Co., East St. Louis, \$5033; G. H. Sternberg Co., Granite City, \$5826; and Gruber Construction Co., East St. Louis, \$5783. The Weinel firm installed the present system.

# Christmas Services

### CONCORDIA LUTHERAN CHURCH

23rd St. & Grand Ave.  
 Rev. Arvin Twietmeyer, minister  
 The Festival of Jesus' birth will be celebrated at Concordia Lutheran Church in three special services. The first of these is the children's Christmas Eve service at 7:30. The second is the Christmas Choral Eucharist with candlelight across the midnight hour beginning at 11:30 on Christmas Eve. The Christmas Day Festival service will be at 9 o'clock, also the celebration of Holy Communion.  
 In order to give the more than 200 Sunday school children in Concordia an opportunity to express their own interest and joy and comfort in the birth of their Lord and Savior, Sunday School Supper, H. A. Ameling will direct them through a speaking, singing presentation of "Light a Candle for the Savior".  
 Emphasizing the holiness of the midnight Communion, Concordia's Choir will process in candlelight and lead the Christmas worshipers with their rendering of the "Cherubim Song" by Portiansky, "O Holy Child We Welcome Thee", a Bohemian Carol, Nikolaus Hermann's 18th Century, "To Us A Child Of Hope Is Born", and "Let Our Gladness Know No End", a Bohemian Melody.

Soloist Toni Hunter will contribute "He Shall Feed His Flock" from the Messiah as well as the Polish traditional carol, "Sleep Little Jesus". Concordia's Pastor Arvin Twietmeyer will chant the traditional communion liturgy.  
 Communion service on Christmas Day at 8 o'clock will begin with Harold Rohlfs' organ variation of Luther's "From Heaven Above To Earth I Come", accompanied by Emmert Dautenber's trumpet. Miss Hunter will sing the familiar "In Dulci Jubilo". The pastor's Christmas sermon topic will be "Say the Gospel again".

During the three services Concordia's Organist Louis Reith will offer three variations of "In Dulci Jubilo" by Buxtehude, as well as three renderings of Luther's "From Heaven Above To Earth I Come", by J. S. Bach and two by Pachelbel.  
 Assisting in the chancel and pulpit will be Concordia's Seminary Student Assistant William Lewis.

**TELEPHONE TALK**

by George Mauze, Mgr., Granite City, Illinois

**THERE IS STILL TIME**

Christmas is almost here, but there is still time to order any number of telephone gift items. Extension telephones, telephones in color, Princess phones — all are still available.

Just call the telephone business office and place your order. We will arrange to send a beautifully packaged miniature Princess phone free of charge. Place it under the tree. It announces your wonderful gift and also makes a joyful child's toy. The gift service can then be installed later.

**THE FIRST CHRISTMAS TREE LIGHTS**

Know who made the first Christmas tree lights? Well, considering the name of this column, the answer shouldn't be too much of a surprise — a telephone man. Here's how it happened.

Back in the early 1900's, Ralph E. Morris' little boy crawled under the Christmas tree, upset one of the wax candles and singed his hair. Morris promptly announced there would never be another flame near a Christmas tree in his house. Then, he got to thinking and remembered the switchboard down at the telephone office and how, at certain times of the day, it often reminded him of a Christmas tree.

So what did he do but buy several dozen switchboard lamps which he then soldered to wires to make them a string of lights. He used colored paper to cover the lamps, and so it was — the first electric lights on a Christmas tree!

**WHAT DO YOU THINK OF?**

When someone mentions "Christmas" to you, what do you think of? Shepherds on a hill, a bright star in the sky, . . . mistletoe . . . "I'm Dreaming of a White Christmas" . . . holly . . . trees . . . gifts . . . children

If you're like me, you think of all these and more. You also think of people you care about. Your folks, close friends, farflung relatives, all sorts of people you've grown to know and like.

I hope you'll be able to be with your folks and friends during this holy season. Still, if the miles keep you apart — remember you can get together by telephone.

**ONE LAST THOUGHT**

MONDAY, DEC. 30, 1937

A charge of operating a taxi-cab in Granite City without proper license was dismissed Thursday by Justice of the Peace Armin Weiss for lack of prosecution. The cab firm stated recently in Venice and haul passengers for 10 cents.

Miss Cecilia McCormick entertained at a Christmas party for her piano pupils Saturday afternoon in her home at 2117 Edison avenue. The guests played games, and prizes were won by Elsie Brownfield, Billie Hanson, Grover Meyer Jr., Margaret Sheridan, Elizabeth Kruse, David Bergfield, Mary Katherine Wantland and Mary Krizan.

Mr. and Mrs. W. C. Rainford and Mrs. Martha Ann Coudy entertained employees of Coudy Rubber Co. at a Christmas party in the Rainford home on Cleveland blvd. Saturday. The rooms were beautifully decorated for the occasion. Movies were shown by William Windsor.

Mr. and Mrs. Virgil Simpson were hosts Saturday to a group of friends at their home on Dodge avenue. A light dinner was served to Mr. and Mrs. J. T. Simpson, Mr. and Mrs. William Simpson, Mr. and Mrs. Jay Simpson, Miss Marie Jeffries, Miss Pansy Cook, John Cox and James Love.

John Mary Ferguson of Venice entertained her Sunday school class of the Venice Baptist Church at her home on Lincoln avenue Thursday. Those present were Mrs. May St. John, Miss Eberhardt, Miss Irene Eberhardt, Miss Clara Rehms, Miss Lester Lachar, Miss Sylvia, Glen Tonsor and Mrs. Margaret Brooks.

Mrs. Richard Rubling and daughter, Robin, of Chicago, and Mrs. William Dorman of Freeport are here for Christmas holidays with their parents, Mr. and Mrs. C. W. Pershall.

Charles Tuttle was elected president of Local No. 12 of the Bartenders Union at the annual election of officers held last week at the Labor Temple. Other officers are: Charles Ritchie, president; Arthur Hartman, financial secretary; George Krey, chaplain; and Floyd Kelly, conductor.

## The FORUM

### IMPROPER LEADERSHIP, POLICIES HARM UNIONS

To the Editor:

How many people are aware of the ownership of the city, and subsidiaries? Fifty-seven percent of the preferred stock is owned by the queen of Holland. They have seven million refineries, some under different names.

They get 65% of the output of tideland off-shore production. They control many other companies.

Has organized labor gained from various strikes over the nation? Note the length and the small gain in wage and fringe benefits. Check the loss in payroll of the refinery at Wood River.

If the wage increase asked for is given, it will take the average worker 20 years to gain back what he has lost. In addition, 250 to 300 workers will be released. Where can they hope to get employment?

Organized labor is constantly destroying its principles and past gains through improper leadership and abuses.

What is the present wealth of Hoffa, Reuther, MacDonald and Lewis? Are they investors of the various industries they foster?

One leader, 38 times a millionaire, is a huge stockholder in an oil company. Did you ever see any of them stop his salary and walk a picket line?

I staunchly believe in organized labor. We have advanced a long way, but we are on the downgrade. Automation has helped to abolish the low-paying jobs and high production costs. Stockholders invest for profit, not loss.

Inflation from constant wage increases is killing the nation. The low income group suffers most. We will soon price ourselves out of the labor market and abolish our purchasing power.

### ALDERMAN BLAMED BY FORMER CITY WORKERS

To the Editor:

At a recently held city council meeting, the biggest expense they passed was for the garbage collection for the month of November, paid to a St. Louis corporation. All this money out of our pockets.

The wages of the 18 faithful city taxpayers whom the 12 aldermen throw out of their jobs would be only \$7880 for collecting the garbage for the same period.

It is a shame that it happened. Now Christmas is coming near.

### Zoning Could Aid Chouteau Township, Would Not Restrict Operation Of Farms

Because Madison county is at the crossroads, with its future progress closely linked to adoption of zoning by the County Board of Supervisors in January, it is refreshing to recall the extensive support for zoning voiced at three of the local township hearings.

Unfortunately, the same cannot be said for Chouteau township, where a leading official opposes zoning and where most of those heard at the zoning hearing were opposed. For the sake of their township and county, we hope that Chouteau residents will make it clear in the next few weeks that many of them favor establishment of zoning controls.

It is interesting to note that most of the Chouteau township opposition came from farm owners who felt that zoning would limit their ability to use their property. This conflicts with the Zoning Commission's assurance that zoning could live under zoning for 100 years without ever being aware of its existence.

The proposed zoning ordinance lists reasonable setback lines for buildings to minimize traffic hazards at intersections, but in no other way affects normal agricultural activity. Many farmers realize this and have no objection to zoning, which will be of direct benefit to them as well as other county residents.

It would be particularly helpful at this time if people of Chouteau township make it known to the Zoning Commission and County Board that they want to live in a progressive county, with greater prosperity, orderly growth and adequate protection of property values through zoning.

Without adequate capital investment in an industrial society cannot build the plants and buy the machinery to assure expanding job opportunities. And without a high level of profitable investment, a free society cannot produce the tax revenues to finance public investments in vital areas—Luther H. Hodges.

### Holiday Bulletin—Mistletoe Crop Below Par But Will Be Adequate

"Tis the season to be jolly—the time of year to hang mistletoe and collect kisses. It also is the season to be busy in central Texas, which provides 95% of the mistletoe supply and has just shipped 400,000 pounds toward the four corners of the nation.

Dispatches from the metropolis of Comanche have not-Texas ring this year. Everything about Texas generally is supposed to be bigger and better. Even the mistletoe crop is described as not up to average.

But Quad-Cityans can rest easy. Enough berries were located in the mesquite, oak, blackjack, chinaberry and hawthorn to supply the needs of millions of kisses in the coming weeks. And there is always artificial mistletoe, which our informants report is just as effective.

### Each Profit In Chain Letter Schemes Matched By A Loss

One of the saddest stories of the pre-Christmas season is that many Quad-Cityans have been duped by the ancient chain letter scheme, this time to the tune of \$75 each. The public disease which has been going on leaves some "holding the bag" but prevents potentially larger groups from being hoodwinked by protestations of legality and promises of huge profits.

The simple fact, whether savings bonds or peanuts are involved, is that for every gain there must be a loss. The pyramid process utilized in such rackets automatically leaves a broad base of victims at the bottom of the line. It cannot help but bog down through the mathematical certainty of running out of new people.

The prospects of prosecution probably are remote, but it is unfortunate that the ethical aspects alone did not deter more people from participating. Santa rewards children who have been good, but he does not offer "something for nothing" to anybody.

### Granite City PRESS-RECORD 160 Christmas Baskets By Protestant Welfare

Accident While Parking

A multi-car accident occurred about 8 p.m. Monday at 1833 State street, where Carolyn J. Perigan, 19, of Rural Route One, was pulling into a vacant parking space. Her auto struck a parked auto owned by Roger Vail, 2533 East 28th street, police said.

Son of the woman who lost her job, would you think it was so wonderful if someone took your job and you were let out? Bet you would wonder.

The constitution says "liberty and justice for all." I wonder if it should not read "liberty and justice if you know the right parties."

Think this over while you Christmas-wrap your garbage, and keep on sending your money over the river.

MRS. RUBY THOMASON  
1738 Cleveland blvd.

### DOUBLE STANDARD IN FILLING CITY JOBS

To the Editor:

As the cold weather comes in, our city's unemployment problem is still here with their pickets at city hall.

Some of our new department stores. How does this help us? No money paid to our community, and the overall contract is higher.

This job could be done cheaper by our men, and with more help. Why should we ever get our own men. Don't judge them by summer work; watch this winter work.

The men on these trucks have a rough job, but figure their maintenance of the city's trucks, then deduct this from the present contract. You will see there is quite a difference.

Why should we let our money leave our community? This shouldn't be done.

Try to get a city job; one question asked is, "How long have you lived in this community?"

### Hypocritical Stand Taken By Officials Of Levee District

It seems hypocritical for levee district officials to bemoan the court opposition to issuance of general obligation bonds for which Quad-Cityans would pay \$800,000 and get absolutely nothing in return.

As pointed out by Granite Cityans who instituted the legal proceedings, the levee board can either call a general election on the Cahokia sewer program or it can ask Cahokians to finance sewer lines with revenue bonds paid by those who would benefit.

Aid exceeding \$2,000,000 for Granite City drainage improvements was promised by levee trustees, who then proceeded to revise the figure downward. They cut it so many times that it eventually disappeared entirely.

Granite Cityans are going to have to pay fully for whatever drainage and pollution abatement they get; in fact, they will pay excessively, thanks partly to insincerity of levee trustees and some of the aldermen. It would be adding insult to already grave injury to use levee district money in Cahokia, with a large part of it paid by local residents.

### Cultural Links Being Forged Between Quad-Cities, Orient

It's a small world, judging by the close links between the Orient and the Quad-Cities.

A single issue of the Press-Record contained photographs of two different groups seated on the floor in Far East fashion. One, taken at the local YMCA, showed a Japanese dinner in an appropriate garden setting attended by members of the Central States Judo Association. The second picture, taken thousands of miles away in Korea, showed James Madison City composer and other participants in a world premiere performance by the Seoul Philharmonic Orchestra.

Oriental culture is thousands of years old, while Madison County is celebrating its 150th anniversary. But each can learn from the other, and Quad-Cityans are playing a prominent role in the exchange.

### County Tax Rate Cutback Shows That Drastic Economy Moves Are Possible

Possibility that Madison county may balance its income and outgo in 1963, or come within \$10,000 of doing so, shows what can be achieved by a concerted economy move. It was only last year that the county experienced an unexpected drop of \$344,000 in anticipated annual revenue due to a court ruling on tax rate limits.

Success of the county is of great interest. The stringent pinching of pursestrings undoubtedly has been a wholesome demonstration of faithfulness and citizens that governmental spending habits need to be reformed.

At the same time, it may not be possible to postpone indefinitely a return to the 10-cent rate limit which the county had become accustomed for nearly a decade. Some easing certainly will be necessary in the near future, unless essential projects and services are to be delayed or discarded. The remedy appears to be either a rate election or corrective legislation at Springfield.

### New Year's Eve Problem Solved For Teenagers

More limited than adults in observing New Year's due to customs, funds and laws, the younger generation often has a problem in deciding where to go to "ring in the new year and ring out the old."

The YMCA has provided a solution by sponsoring two New Year's Eve parties and dances, one for teenagers and the other for young adults. With parents assisting in the supervision, both should be festive and enjoyable events, which no doubt will be held annually if there is sufficient attendance.

### Small Fire Costs Contrast With Big Financial Aid By Madison Firemen

A report of expenditures for the Madison volunteer fire department during the past year again shows firefighting costs which are among the lowest in the Illinois Metropolitan Area.

The average cost of \$65 a fire, a fraction of what Granite City spends, contrasts with the large sums made available by the firemen on a loan basis for construction of a library, library addition and city garage and creation of two playgrounds.

Even the new Madison fire station is owned by the fire company and made available to the city through a lease.

Earning low fire insurance rates for its city for many years, the department is unique in the scope of its activities, and a major Madison asset.

You can always borrow all the money you want when you don't want any.

### Hospitalized After Fall From Truck

Gary Hildreth, 15, of Apt. 32, Garces House, Madison, was hospitalized Monday evening after a fall from a truck. He was knocked unconscious. Attend-

Among those treated at the hospital emergency room Monday afternoon were Matthew Rissi, five, of Collinsville, and fencer, and a 10-year-old boy of Lake drive. Both were released after treatment.

The Collinsville child was treated for a cut to his face received when he fell from a bicycle, while the Sanders boy was treated for a cut to the back of his head suffered when he fell against a desk.

### Auto Hits Hole, Then Fences

When making a left turn from East 23rd street into an alley near Hill avenue, Maggie Martin, 2419 Madison, drove her car into a hole in the ground, which struck a hole with her auto, which added into a pile of debris and a few planks.

The owner of the property was not identified.

### Shoplifter's Sentence Suspended For Probation

A six-month county jail sentence was suspended for a year for William Franklin, 25, of St. Louis, who pleaded guilty Monday to a charge of theft.

He was arrested Saturday at the new Madison fire station by the Madison police, for shoplifting and appeared Monday for a hearing before Police Magistrate Gasparovic.

### Boys Break Windows

A group of small boys smashed the windows of the high school Memorial Gym on Nankeski road about 8:30 p.m. Monday night from the same group of boys who broke a few windows of the Madison City police were notified.

# Your Governor Reports

by OTTO KERNER

### ENFORCEMENT OF TAX REGULATIONS IMPROVED

Better enforcement practices by the Illinois Department of Revenue are bringing millions of additional dollars to state coffers in line with my policy of operating state government at low levels of efficiency and economy.

Revenue Director Theodore J. Isaacs has reported to me that, because of these new collection programs, Illinois should exceed revenue estimates for the two-year fiscal period ending June 30, 1963, by 18 to 24 million dollars.

One of the programs constitutes agreements among Illinois, Iowa and Missouri which get to ensure that each state is getting the revenue due it. To further end businesses operating across state lines.

Tax Agreements  
The report said that this program will improve our state's collections by some \$3,000,000 a year.

Illinois hopes to enter into similar agreements with Wisconsin and Indiana in the near future to further brighten this picture.

We also have opened a Department of Revenue office in New York to audit firms doing business in Illinois while headquartered in the east. The staff there already has turned over to the state \$157,531 since the office opened Aug. 1.

### Expand New York Efforts

In addition, they have audits underway right now which indicate that the six-month revenue production figure for the New York office will be well above \$500,000, the report said.

The New York office is continually improving itself and soon will be able to extend its operations into additional eastern states. To further end revenues long escaping our coffers.

All in all, our state is doing an outstanding job of collecting the revenue fairly due us. Money that in past years was not being paid.

Switzerland is engaged in other programs as well which I will discuss next week.

### U. Of I. Staff Includes 123 Interpreters At Medical Unit

They're never at a loss for words — in any language from Arabic to Yugoslavian — at the University of Illinois Research and Educational Hospitals in Chicago.

There are 123 employees at the University's Medical Center Campus who are able and available to translate for patients in a total of 31 languages.

These interpreters can handle almost any language, including a few which many people may not have known existed.

For example, there is an interpreter for the African language Tswana, and there are two people who can translate Chinese Mandarin. At least one person is available to translate for patients who happen to speak Czech, Gujarati, Hindustani, Marathi, Persian, Philippine Tagalog, Slovakian, Arabic, and Yugoslavian.

In addition, there are interpreters for Bohemian, Bulgarian, Czech, Danish, Dutch, French, Greek, Hebrew, Italian, Japanese, Korean, Latvian, Lithuanian, Norwegian, Polish, Portuguese, Russian, Serbian, Spanish and Swedish.

A few of the interpreters can handle several languages. For example, Dr. Joel Koppe can interpret French, Hebrew and Spanish, while Zivko Horvat, a darkness technician in the University's College of Medicine Department of Radiology, can speak Croatian, German, Serbian and Slovenian.

In some languages, several interpreters are available. French is spoken by 14 of the volunteers, German by 19, Italian and Polish by 12, and Spanish by 16.

For the most part, the interpreters are given to nurses in the Research and Educational Hospitals for use in dealing with patients who have difficulty with, or cannot speak, English.

### New Class To Increase Eagle Scouts To 83 In Three Years

The next Eagle Scout court of honor of the Cahokia Mound Council, Boy Scouts of America, will increase to 83 the number of boys attaining Eagle rank in this area during the 1960s.

The 1962 class consists of 29 boys, one more than the number becoming Eagles a year ago. In 1960, the 40th anniversary of the class was highlighted by a Boy Scouts of America Explorer Post 13 and Lawrence Hoffke, also of Post 13.

Twenty of the new Eagles will attend the ceremony along with representatives of all troops and posts in the council.

### Business Meeting of Scout Council Jan. 24

Election of Cahokia Mound Boy Scout Council officers for 1963 will take place during the annual council business meeting Thursday evening, Jan. 24, in the Council Executive Office, Eugene C. Coe has announced.

Those attending will include all institutional representatives, council members-at-large. Business besides the election will consist of annual business transactions, reports for 1962 and the newing of the council charter for the coming year.

Resolutions to be enacted should be in the council office by Jan. 15. It will be announced by Council Vice-President Raymond Rogers, chairman of the program and resolution committee.

### Cantata To Be Given At Temple Baptist Church

On Friday evening a cantata "Love Transcending" will be presented at Temple Baptist Church at 714 McMillan avenue. The cantata was presented originally at the Meadow Heights Baptist Church in Collinsville.

"Love Transcending" tells the story of Christmas through the music of John W. Peterson and the lyrics of the cantata are being distributed through the cantata office.

### Fred Schmidt Named Night Deputy Sheriff

The appointment of Fred Schmidt, 40, of 4285 East Lake drive, Pontoon Beach, as a temporary night deputy sheriff was announced this week at the office of Sheriff Barney Fraundt.

Schmidt is an employee of Socrum Mobile Oil Refinery in East St. Louis, which is on strike. A vacancy in staff occurred with the death last week of Deputy Paul E. "Rip" Turner of Alton, and the transfer of Otto F. Schweigel as a day deputy from a night deputy post.

### YMCA Youth Department Children Attend Party

About 50 boys and girls attended the YMCA Youth Department Christmas party Monday evening.

Because of the great deal of interest the youngsters had shown in the preparations last week for the Granite City Junior Club's Japanese party which was held Saturday, they had an original party.

They sat on the floor at low Japanese-style tables and ate chicken chop suey and white rice with chop sticks. They also had Chinese tea and white cake.

For entertainment they viewed a color movie about Japan then traveled westward in a musical trip around the world until they reached America.

Order Guler, a Turkish university student residing at the YMCA, conducted the "tour" with his mandolin. He played music from Japan, Korea, China, India, Persia, Russia, Turkey, Greece, Italy, France, Germany, Spain and the United States.

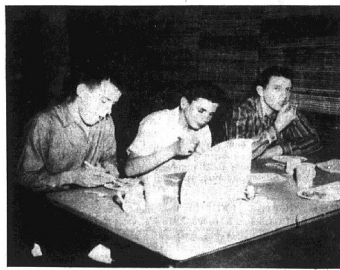

The children were asked to guess what country they were visiting and to join in singing some of the numbers.

The party was arranged by James Lindell, who heads the Youth Department.

FIFTY PAIRS OF CHOPSTICKS dined on the children, ate chicken chop suey served to them in oriental style. These three are (left to right) Charles Gawronsky, Edward Petras and Mike Middleton.

### Resolution Sets Wage Rates For MFT Projects

A resolution setting prevailing wages for work on motor fuel tax projects was approved Monday night by Granite City council members.

The hourly scales set were: laborers, \$3.70; chauffeurs, \$3.60, \$3.80 and \$3.85, depending on the size of the vehicle; equipment operators, \$4.50; bricklayers, \$5.20; carpenters, \$4.35; cement finishers, \$4.37½; ironworkers, \$4.50, and electricians, \$4.85.

A copy of the resolution is to be forwarded to the secretary of state's office at Springfield.

### Fifth Firm May Bid On New GC Post Office

Five firms now have the plans, and bids are to be opened at 5 p.m. Dec. 28 at the office of the architect, John P. Hansmeyer, Belleville.

Other firms with bid plans are G. H. Sternberg & Co., and General Contracting Co., both of Granite City; Vic Morrow Construction Co. of Belleville, and Williams Construction Co. of St. Louis.

### City To Ask Bus Firm To Retain W. Granite Runs

Community Coach Co. will be asked by the city to reconsider a cutback in the "split-shift" operation of the Stockyards-West Granite bus route.

Action was taken Monday night by the city council, and Mayor Davis said he would confer with George Stearns, president of the bus company.

Alderman Walter Nomm said he had received several complaints, especially on the elimination of the morning run, from West Granite residents. "Perhaps they could reconsider and keep the runs until the Bi-State Agency takes over the operation," Nomm said.

The bus company has set the cutbacks to start at 12:01 a.m. Saturday.

To be eliminated are the "split-shift" Stockyards-West Granite runs between 5:35 and 10:35 a.m. and 2:15 and 5:15 p.m. Stearns said the runs have not produced sufficient revenue to warrant their continuance.

Also to be eliminated are Sunday and holiday operations on the East Granite route.

### Lake PTA Organizing New Cub Scout Pack

A charter is being sought for a new scouting unit, Cub Pack Nine, it was announced today at the Boy Scout office. Sponsor is the Lake grade school Parent-Teacher Association.

Assessor Von Dee Cruise is cubmaster and Mesdames Ellen Hale, Alma Hale and Rosa Mary Winn are den mothers. Stephen Hale is institutional representative, Edward Nida heads the pack committee and James Swigert, Lewis Kenison and Wilfred Campbell are committee members.

Charter members are Marshall Campbell, Eric Cruise, Frank Darrell, John DeMontmolin, Wayne Gum, Stephen Hale, Randall Hall, Randy Higgins, Richard Howell, Larry Kenison, Donald Kershaw, Kevin Kieley, Dennis Mayes, Jerry McCabe, Michael Millspa, Robert Pearman, Douglas Stevens and Vernon Winn.

### City Proposes Three Street Light Installations

A resolution for installation of three additional street lights is to be prepared for adoption by the Granite City council. The locations were proposed during Monday night's meeting by Alderman Steve Basarich, chairman of the Light committee.

He listed locations at the west side of Park avenue between 19th and 20th streets at the rear of Buer Grocery; at the alley at Rock road between West 20th and Denver streets and at a Nevada alley between Denver and Cayuga streets.

### Liquid Nitrogen To Be Unloaded Elsewhere

Complaints from residents in the vicinity of Martin street in the Tri-City Park area will result in a different siding being used by Air Products Corp. for unloading liquid nitrogen from a railroad tank car.

Alderman Estill Von Schmitt told Granite City council members Monday night he had been besieged by complaints that afternoon. He recommended the firm use a rail siding away from homes. "During the unloading work," he said, "cloud-like fumes spread among the houses, causing concern."

The local plant manager, Ralph Route, in the audit, announced the adoption this week of a ten-day old daughter, Dava Lynn is the name selected for the infant.

He explained the fumes were not combustible. In fact, he said, "they probably would put out a cigarette."

When told the truck driver had advised persons not to smoke in the area, Terrill explained his company has a rule that prohibits smoking during loading and unloading operations. "We was a cautious driver," he added.

In other action, the council approved the Nov. 5 request by Tri-City Grocery Co. for relocation of an alley in the 1600 block between State street and Edison avenue. The firm turned over to the city a 20-foot wide east-west strip opening onto Edison avenue.

A section of the north-south alley was vacated for the firm at the council's Dec. 3 meeting. Tri-City Grocery plans to expand its warehouse.

### Radar Training For Airman J. L. Funkhouser

Airman Third Class Johnny L. Funkhouser of Granite City, is being reassigned to Trux Field, Wis., following his graduation from the U. S. Air Force technical training course for radar operators at Keesler Air Force Base, Miss.

Airman Funkhouser studied the operation of semi-automatic ground environment (SAGE) and manually-operated radar systems. The airman, a graduate of Granite City high school, is the son of Mr. and Mrs. Jesse M. Funkhouser of 4537 Highway 162.

### \$149 Contract Award To Paint 2 Court Offices

A contract to paint the two-room suite of the police magistrate's office was awarded to Porter painting Co., 2736 Birch avenue, by Granite City aldermen Monday night.

The firm's bid of \$149 also includes patch plastering for the ceiling in the court room. The only other bid was \$186 from Clifford Cozart Co. The recommendation for the contract award was made by Alderman Mrs. Gabrielle Beline.

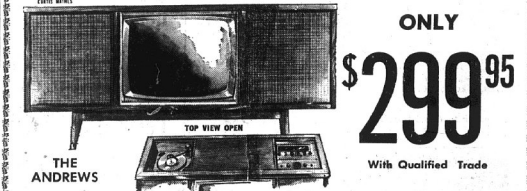

### Announce Adoption

Mr. and Mrs. David Gibson of Rural Route 1 in the audit, announced the adoption this week of a ten-day old daughter, Dava Lynn is the name selected for the infant.

## Cub Staff Issue Of GCHS Student Paper Completed

By Dolores Baumberger

Last week's issue of the "The High World," the Granite City high school student newspaper, culminated preparations by the paper's cub staff which began in September.

It was the cub staff, the beginning journalism class at GCHS, which put out that issue of the publication. Joette Sneed and Ruth Barney were co-editors.

The staff had waited patiently for the time when they would be getting together their very own first newspaper. Since September they had been studying journalism techniques.

But when the time finally arrived for the first things to be done, no one knew exactly what to do. With the help of Miss Marcia Hance, journalism teacher, work began.

**Elected To Posts**

Miss Hance picked 12 students from the class of 32 for staff positions. The group then nominated students to specific positions and voted. Other students were given story assignments and other jobs.

The time from story suggestions to distribution took approximately three weeks. The Press-Record prints the student paper, which is a four-page five-column tabloid. It has about 1000 subscribers.

The cub staff has now finished its work: the paper has been distributed and the regular staff is back on duty. The cub staff issue was the last before the Christmas holidays.

For the beginning journalists, however, it may have been the start toward positive on the regular staff next year.

**Other Staff Members**

Cub staff members, in addition to the co-editors, include Carol Chase, first page editor, assisted by Cynthia Crevas, Chris Paschoff, second page editor, assisted by Julie Whitmer, Lynette Petish, third page editor, assisted by Mary Novack, and Bill Chase, fourth page editor, assisted by Mike Jesse.

Dolores Baumberger was advertising manager, assisted by Phil Blason and Barb Hinder. Karen Durbin was copy reader. Her assistants were Maureen Mathenia, Karen Phillips and Margaret Jones.

Cub staff proof reader was Dee Snider, with assistance from Margaret Romine, Helen Oliver, and Darlene Paisley. Terry Kofahl was circulation manager, with Larry Wortham and Barbara Springer as his assistants.

Honeyey, 2801 Grand avenue; Ralph W. Rotter, 2717 Washington avenue; John Lee Spudis, 3153 Jill avenue; Robert D.

Strouse, Granite City Army Depot; Perry A. Teyon, 3149 Pelling road; Larry C. Tolbert, 3021 Buxton avenue; John A. Zerjal, 1411 Madison avenue; Thomas R. Billen, 304 McCambridge avenue; Diana Lynn Fox, 814 Madison avenue; Henry M. Gogoloz, 1008 Sken street; and Gary Kasproovich, 1732 Fifth street.

Monetary awards to a maximum of \$600 and honorary awards offering no financial assistance will be granted to qualified semi-finalists who attend an approved college or university within the state of Illinois.

The funds appropriated by the general assembly will determine the final number of winners to be announced in April.

## English Students At MHS Help To Pioneer New Look

Students of John Phelan, Madison high school English teacher, are helping to pioneer a new look in the teaching of high school English.

Phelan is one of 42 selected teachers who spent last summer at Southern Illinois University in a reappraisal and tentative overhauling of secondary school English programs. Now, the teachers are putting the course findings to practical use.

Sponsored partly by the nationwide Commission on English of the College Entrance Examination Board, the summer course at SIU was one of 20 at chosen campuses across the nation.

Main objective of them all was to strengthen English preparation for college by more emphasis on writing, both in practice and rhetorical study—careful and critical reading and more intensive study of language.

Alumni of the summer institute, including Phelan, convened on the SIU campus at Carbondale this month to report on the success of the program in their own schools.

George Winn, head of the SIU English faculty, headed the meeting.

## Christmas Party Ends Year For VHS Students

By Michael Lopez

A Christmas party for the entire student body this afternoon highlighted a week of seasonal activities at Venier high school. The program was arranged by the student council with all students present received gifts.

The week's events began with a Christmas concert Sunday afternoon by the school band, under the direction of Irwin Ballard. A record crowd attended the concert, held in the school gymnasium.

The VHS Future Homemakers held their annual Christmas party Monday morning during homeroom period. Refreshments were served, and a game entitled "Who Am I?" was played. Each member brought a small gift for a grab-bag exchange.

FHA members made final arrangements to send a basket of fruit to the Madison Nursing Home as a Christmas project. They will also send gifts to the children's floor at St. Elizabeth Hospital.

Final plans for the student body party this afternoon were made at a meeting of the program committee Monday. The committee is composed of members of the student council.

Classes were adjourned immediately after the Christmas party today, to resume Wednesday, Jan. 2.

## Victor Popovsky Named Scholarship Recipient

Victor Popovsky, a 1959 Granite City high school graduate, is one of eight students at Illinois College, Jacksonville, to receive a state scholarship this year on the basis of past academic achievement.

In announcing the award this week, the college said the scholarship will pay up to \$600 in tuition expenses. Popovsky, a senior psychology major, is the son of Mrs. Eva Popovsky, of 1420 Madison avenue and the late George Popovsky.

## SIU To Hold Special Testing Session Saturday

Southwestern Illinois University has scheduled a special testing session Dec. 22 at Alton and East St. Louis to accommodate students who were unable to take American College Testing Program tests at regularly scheduled dates.

Testing will be from 8 a.m. to 12:30 p.m., in the SIU centers at 9th and Ohio streets, East St. Louis, and 2809 College avenue, Alton.

PAUSING DURING REHEARSALS are members of the Madison choral students who joined in the annual Christmas dinner program of the Madison Rotary Club

singers performed under the direction of Mrs. Valerie Stephens, far right. Inset shows a group of students practicing a dance number they performed.

## Madison Students Get Special 'Trojan' Issue

A special Christmas edition of "The Trojan," the Madison high school student body newspaper, was distributed to the students yesterday.

Of regular size, the holiday issue contains new feature articles and a column of special interest to students. The column has not appeared in previous issues of the publication.

"The Trojan" is produced by a student staff under the direction of Mrs. Mae L. Waters.

## Sharon Stroyoff Named New Roca 'Sweetheart'

Miss Sharon Stroyoff, a Granite City high school junior, was chosen winter "Sweetheart" by the Roca young men's club Tuesday night.

Miss Stroyoff is active in the GCHS Red Peppers, and is a member of and historian for the Tri Delta Tri-Hi-Y. She is also active in the Youth Fellowship at Central Christian Church.

The new "Sweetheart" is a daughter of Mr. and Mrs. Joseph Stroyoff of 1614 Lindell blvd.

## GCHS Low Seniors Take Kuder Preference Test

Low seniors at Granite City high school took the Kuder Preference Test last week, administered by Roy McConkey, school guidance counselor.

The test is designed to determine present occupational interests of the individual student. Occupations suggested by test results ranged from funeral director to accountant.

After taking the test, students were asked to prepare a research paper on their future occupation as indicated by the test results.

McConkey urged all students

to take the test again in the near future. "A student's interests are likely to change within six months," he said, "and test results might not be the same."

# Christmas Lighting Tips By Power Co. Specialist

Again this year, with the advent of the Christmas lighting season, bright lights twinkle from doors, yards, trees and rooftops throughout the Quad-Cities.

The custom of Christmas lighting goes back to biblical times. Although it was Martin Luther who is said to have put the first lights on the Christmas tree, candles burned in the Holy Land the night Jesus was born in celebration of Chanukah, the Jewish "Festival of Light."

"In our day, a well lighted and well decorated house has come to mean a sign of greeting to all who pass by," according to Miss Dorothy Davis, home lighting consultant for the Illinois Power Co. She points out Christmas lighting is a way to express individuality and decorative skills. It is limited only by the imagination of the one planning it, she says.

Miss Davis offers help to those planning home lighting displays.

First, she says, look at the home from the spectator's point of view. Decide on what aspects of the house and grounds need to be concealed.

Should Have Theme

Then, says Miss Davis, decide on a theme. Lighting of the house usually is a symbol of hospitality. If this is the theme, what architectural features should be the focal point? Or does the house merely serve as a backdrop for a lawn scene? Strong illumination of the focal point usually is required to dramatize the theme, Miss Davis says. Or, it may be emphasized by the glare.

Trees should be decorated from the top down with lights put on first. Multi-color lights should be balanced. Use a greater number of those with less intensity to balance the brightest.

To determine the number of lights needed on a tree, advise Miss Davis, multiply the height of the tree times the width at the base times three. Minimum number of lights should be one half this number.

"And remember," she concludes, "safety first in decorating means a merrier Christmas for all."

Two-Year Certificate

Requirements for the SWIT two-year certificate in industrial management are satisfactory completion of eight Granite City courses, including these five: practical psychology for supervisors I, effective speaking for supervisors I, the supervisor and his job, industrial report writing, and labor-management relations.

There is no time limit in which to qualify for the certificate.

The requirement in the Alton segment of the program is completion of eight courses. At East St. Louis, the requirement is eight courses, including the five

by color contrast or size and elements.

General Examination will unify all elements of the picture, according to the lighting specialist. She says flood lamps often serve this purpose well. Floodlighting bathes the entire area with diffused white or colored light, eliminating harsh shadows, reducing glare and emphasizing texture.

Miss Davis reminds home lighters it is important to conceal floodlamps, since the effect or reflected light is lost if the source is visible. Near doorways or walks, lamps should be placed above or at an angle to the normal view of the person leaving the house so he will not be blinded by the glare.

Christmas Trees

Christmas trees provide an opportunity for expressing the individuality to those who decorate them, Miss Davis says. A few fundamental suggestions make good decorating easier.

If the tree is tall and slender, decorating lines should tend toward the horizontal. If it is short and full, trim lines should be more vertical.

## Flight To Europe Planned By Students

The second annual charter flight to Europe for Southern Illinois University students, faculty, staff and their immediate families has been announced for next summer. It offers persons a chance for study and independent travel abroad.

It will depart from St. Louis' Lambert Field for London on June 17 and return from Paris on Aug. 26.

Stanley B. Kimball, assistant professor in social sciences, coordinator of last summer's study flight, will again be coordinator for the university's Southwestern Campus.

He said a limited number of reservations will be accepted for the trip. Costs run about \$344 per person.

More information about the flight is available from Kimball at the university's Alton Center social science building, 2809 College avenue.

## Jennison-Wright Will Honor Four Employees

Four employees at the local plant of the Jennison-Wright Corp. are to receive service awards, it was announced this week by Plant Supt. Stanley Bell.

A 15-year lapel pin will be presented to E. J. Littleton of St. Louis; while 10-year pins will go to George Walker, 2726 Marshall avenue; Willie Craig, East St. Louis; and Olin Eastman, Collinsville, Ill.

With the new awards, the company now has 450 years of service by 27 present employees.

## New Scout Council Ended Duplication, Leader Says

The River Bluffs Girl Scout Council, which will move next week into new quarters at Edwarville, now serves almost 15,000 girls and adults in scouting, according to Miss Veta Funderburk, executive director.

Miss Funderburk said the council is nearing the end of its first year of operation with a combined program which has ended much of the duplication of services which handicapped the multiple organizations it replaced.

The River Bluffs Council was organized Dec. 6, 1961, and chartered last Jan. 2. Headquarters are located at Belleview. The council serves Madison, St. Clair, Jersey and Monroe counties and a part of Macoupin county.

Scarcely over a year ago, Miss Funderburk said, the River Bluffs Council area was served by no less than seven small councils. Separate councils served the Tri-Cities, Alton, Edwardsville, Collinsville, Highland, Bellevue and East St. Louis.

**New Program Needed**  
"A straightforward look at the situation revealed not only inefficiency, but inequity," Miss Funderburk said. "The girls in scouting were not receiving the full benefit of the program. Duplication of services were apparent."

In the seven scattered offices, 14 persons were employed—four professional workers, seven full-time clerical workers and three part-time clerical workers. The resources were limited to the immediate vicinity. It was evident a more efficient operation must be found to serve the 12,000 girls and 3000 adults engaged in scouting in the council area.

Six camp sites were owned by the former councils. Miss Funderburk pointed out. Their use was enjoyed by girls of the sup-

porting councils, but travel to a camp site outside of the council was rare.

**Camp Sites More Accessible**  
Under the single council, accessibility of the camp sites can be emphasized and visits to all can be encouraged. The development of the primitive sites, Chan-Ya-Ta and Turqua, can be carried on much more readily with the resources of the large council, Miss Funderburk declared.

"It is sometimes difficult for people not engaged in the movement to reconcile the necessity for an office staff with the expressed belief of girl scouting that its strength rests in voluntary leadership," Miss Funderburk said.

"But when a group as large as ours is to be served, the task becomes a full-time job. Consider the registration in a national movement of some 900 troops a year; the careful expenditure of money allocated to scouting by the communities; the trust of inspiring girls to the highest ideals of character, conduct, patriotism and service; the organization of troops to serve girls wherever they wish to belong; and the creation of an honest public image, neither flattering nor obscure."

**Practical Work Involved**  
Operation of the council entails a great deal of practical work, Miss Funderburk said. Program materials must be developed, mimeographed and dispensed; recruitment and training tools must be processed, produced and used; financial problems must be isolated, assessed and solved. And above all, she added there are girls to be served.

"This is a tremendous task to

## Accountants Offer Aid To HS Seniors

The St. Louis Chapter of the National Association of Accountants is engaging actively this fiscal year in a nation-wide program designed to familiarize senior high school students with the nature of the accounting profession and the employment opportunities it offers to the trained college graduate.

The need for a national program of this type was recognized several years ago by leading accounting practitioners and educators who became concerned over the fact the number of students entering college accounting programs was not keeping pace with the profession's expanding opportunities.

The local N.A.A. chapter is working in conjunction with the local chapters of other professional accounting organizations in an attempt to contact interested senior high school students. More information may be obtained by calling Miss Anna Tjanaj at GL 2-3134.

## Vets Entitled To Out-Patient Benefits

Veterans receiving compensation for service-connected disabilities may be entitled to local out-patient treatment.

Joseph D. Wetton, local secretary for the Illinois Veterans' Commission today issued a reminder to veterans suffering from service incurred disabilities and who are in need of treatment that home medical treatment may be secured in cooperation with physicians participating in the Veterans Administration medical program.

Under certain circumstances, Wetton added that medicine can be supplied directly to a veteran from the Veterans Administration. Veterans receiving non-service connected pension are not entitled to out-patient treatment or medicine.

Wetton urged recipients of compensation who are in need of treatment for such service connected conditions to contact the nearest office of the Illinois Veterans Commission for assistance in obtaining authorization for treatment or medicine.

In Madison county, veterans may visit the IVC office at the City Hall in Granite City. The office is open Monday through Friday between 8:30 a.m. and 5 p.m.

About this question:

In these hectic days of shopping for gifts, it is refreshing to recall that Christmas commemorates the birth of Christ—the greatest gift that mankind has ever received. During this Christmas Season, let us remember one simple truth—the greatest measure of happiness comes to those who truly live the Christian way of life.

## Constant And Heavy Demand For Teachers

College graduates becoming teachers at all levels are getting more money—and the demand remains constant and heavy, Dr. Royce Bryant, director of Southern Illinois University's Placement Service, reported today.

Bryant, issuing a yearly report on placement activities, said 1962 graduates going into education found the demand for teachers to be the most constant in the country—demand for secondary teachers was about as much as that for elementary instructors for the first time in years, and the calls were more than doubled on the junior college, college, and university levels.

The placement study showed the average salary for the 1962 SIU bachelor's degree elementary teacher was \$4670—a 3 1/2% hike over that received by the like 1961 graduate. The secondary (high school) bachelor's degree got an average of \$1758 also a 3 1/2% boost. The average pay for the 1962 SIU master's degree elementary teacher was \$5277 about the same as last year, and for the master's degree secondary instructor, the amount was \$5568—2 1/2% more than in 1961.

Bryant said only 47% of all teaching vacancies nationwide were in the lower 31 counties of Illinois, but 49.4% of SIU's graduates teaching school this year accepted positions in the southern portion.

Illinois hired the most SIU graduates as teachers, 504, with Missouri second 49; while Jackson county 58, St. Clair 48, Madison 31, and Williamson 30, led the list of counties which hired SIU graduates to teach in their schools.

## Young Driver Fined, Placed On Probation

William McGee, 18, of 4940 Lakeview drive, operator of a car in which two other persons were hurt in a crash was fined \$50 and costs Tuesday by Police Magistrate Gasparovic for driving too fast for conditions.

He also was placed on six months probation with the condition he not drive a motor vehicle during that time for illegal transportation of alcohol.

The charges resulted from an accident Nov. 13 on Route 3, three miles north of Mitchell in which McGee and two other Granite City teenagers were injured.

McGee's auto left the road in dense fog and overturned. He and his two passengers, Jeanette Mielke, 13, of 2223 Twenty-Second street, and Charles Ray, 17, of 2504 Denver street, were hospitalized after the accident. The charges were lodged against McGee by Illinois state police.

### SCOUT CHRISTMAS PARTY AT ST. MARY'S

The Christmas party for Boy Scouts and Cub Scouts of St. Mary's was held Sunday afternoon in the school cafeteria.

The opening was led by Bill Gavinsky with the pledge of allegiance to the flag. There was prayer by Fr. Engelbert Blum, and the welcoming address was by the master of ceremonies, Forrest Friend. Frank Kierski, chairman of the scout committee, was introduced.

### A Boy Scout award went to Marvin Owea from Scout master Mike Sikora.

Songs were sung by the group prior to Assistant Cubmasters Steve Lengyel and Robert Papa being introduced. John Kulasa was introduced as chairman of the cub committee.

Songs led by Fr. Sylvester Miesek ushered in Santa Claus, and there was closing prayer by Fr. Miesek. Gifts were exchanged by all the scouts.

Supper was served to the boy scouts by the mothers, and awards were presented.

### JOINT BIRTHDAY PARTY

The birthdays of Craig and Cheri Morley, children of Mr. and Mrs. Jim Morley, 1616 Second street, were observed with a party held jointly in their honor Tuesday evening. The rathskeller of the home of their grandparents, Mr. and Mrs. John Brudick, was appropriately decorated for the celebration. Many gifts were presented to Craig, who will be six years old Dec. 22, and Cheri, who was four years of age Dec. 14. A circus theme was carried out in the birthday observances and cake decorations. Each youngster attending wore a paper hat and received a horn holding a candy sucker.

Games were played, with Kevin McGarahan, Willie Laub, Kevin Ditch and Pam Walters excelling. Prizes were awarded. Others attending were Keith McGarahan, Kenny McGarahan, Jimmy Ettimoff, Michael Skundrich, Tammi Maeras and Debbie and Ronald Kondracki. Adults present were Mrs. Sal-circus theme was carried out in the birthday observances and cake decorations. Each youngster attending wore a paper hat and received a horn holding a candy sucker.
